Serve the King!  
Serve Others!

# Serve HIM!

Let me begin by thanking every Gracian who are serving in one way or another in Grace Assembly.

From the Children to the Elderly Ministry, we have Gracians who dedicated their precious time and God-given talents to serve the Lord. Many also served with their treasures (finances) in addition to their time and talents.

This is what makes GRACE strong!

My prayer is that those who serve Him will always keep their focus on Him. There are four basic important questions we must ask ourselves as we serve Him. It applies to both full time ministers and every lay person serving Him.

- Question 1 - Who are we serving?
- Question 2 - What are we doing?
- Question 3 - Why are we serving?
- Question 4 - How are we doing it?

These four basic questions have to do with our motives and attitudes. We serve Him from the inside out. God looks at the heart and we serve to honour Him. We seek the approval of God, not the applause of men in serving. This is the kind of service that will please the Lord.

Let me share with you the acronym for the word, **SERVE**.

- S**erve from the inside out.
- E**ngage in the mission of the Servant King.
- R**ely on the Holy Spirit.
- V**alue the gifts God has given you.
- E**xalt His Name in your ministry.

The key verse in the Book of Mark is Chapter 10 verse 45:

*'For even the Son of Man did not come to be served, but to serve, and to give His life as a ransom for many.'*

May we be inspired and challenged by the example of our Lord and Saviour.

You will see many ministries, in this Bulletin, where we still need more help. Please take time to look through, and see where you can be involved or serve.

Let's avail ourselves to serve with others to strengthen the ministries and to build the Kingdom of God.

Walk with Jesus through the towns and villages of the Galilee, see the miracles He performs — healing the sick, casting out demons, calming the seas. WOG-Day Bible Study

# PUP study on MALACHI

Have you doubted God's love for you? Do you struggle to follow God consistently?

Speaking to Israel through the prophet Malachi, God warned the priests and the people for their failure to keep His covenant. But Israel, in arrogance, claimed that God doesn't love them, when in reality it was they who did not love God as they should. Though rebellious, God still loves his people, challenging them to repent and return to Him, with promises of blessing and favor. The book of Malachi is a timely reminder for us to revere the name of the Lord, stay faithful to Him and be spared the wrath of God on the day of judgment.

Come join Women Of Grace (WOG) in this 4-week study.

## DEAR JOHN AND MARY,

*(Original names have been changed to protect anonymity and confidentiality)*

**Hi John and Mary, when did you attend the inner healing workshop? What were some of the reasons that led you to sign up for this Wholeness Seminar?**

**JOHN:**

We attended the inner healing workshop in April 2016. At that time, we were facing some serious marital issues. We were constantly quarrelling. Many times, the episode would last for many days to more than a week.

One of the worst episodes was when we physically fought with each other and became verbally abusive in front of our young children. Our children witnessed these fights regularly, and they were going through a lot of emotional stress. I sought help from Pastor Ben and he suggested that we go for Wholeness Ministry.

**MARY:**

With the accumulated frustration, unforgiveness and anger within me for many years, it drove me to a point of wanting to end this marriage for good since there was nothing good to hold on to this marriage.

God brought the image of my daughters to my thought. God asked me, “What about the girls whom I have entrusted to both of you?” I knew what God was driving at because He loved my girls too. I had allowed so much negativity to eat into me and I was deluding myself that this marriage would never work out because of our great differences... perhaps irreconcilable differences. Over years of our marriage, we have swept our conflicts and unresolved issues under the carpet, and have not dealt with them. The tension made me lose faith and confidence in the marriage and in the man whom I trusted and loved.

It was until God spoke deeply into my heart to surrender this immense pain to Him and allow Him to work within and through me. I had no confidence in myself that things would work out well since for so many years we had been trying to work them out. Nevertheless, God was patient and He continued to nudge me in His gentle ways. He led me to count the numerous blessings that reflected His faithfulness, and His kept promises in my marriage and my life. With that, I embraced courage, in full surrender, I submitted the whole matter into His loving hand, and tried to move on to another chapter of my life.

**Mary, from all the teachings you heard during the seminar, could you share what spoke specifically to you as an individual and a wife? What did God do during the ministry sessions? How has that changed you as an individual, a wife, and a mother?**

Through the ministry, I discovered that what I had gone through in my marriage had to do with my ancestral lineage. God brought me back

to the scenes from my life - when I witnessed my parents quarrelled and fought when I was young. In another scene, supernaturally God revealed to me that I was even rejected by my great grandmother while I was a foetus in my mother’s womb. A sense of rejection, fear and shame, which had befallen upon my grandmother and my mother, was exactly what I had carried with me, without knowing that these affected my marriage.

It was until I encountered God’s healing that I now know that I have been set free to experience the newness of life as a child of God, basking in God’s love and mercy because things were never the same anymore when I surrendered. The process of healing was gentle and much shackles of emotional pain and unforgiveness were lifted from me.

What I went through in my rough marriage was a reflection of what took place in my parents’ marriage. During the ministry, different layers of issues were dealt with and these sessions ushered in greater healing, assurance and comfort to know that God will restore the marriage He has instituted.

With God speaking to me through His Word, I adopted new godly beliefs. I began to see marriage in a completely different angle and my approach as a wife towards my spouse took a drastic change with the help of the Holy Spirit. I can never expect 100 percent of change in my life but at least, after receiving ministry from Wholeness Ministry, whenever a conflict or disagreement arises, or when my spouse and I do not see things eye to eye, I will meditate on these godly beliefs and we come together to pray. Our marriage took a different direction towards what God has designed it to be – to be a couple that will reflect His goodness and love to each other.

During the healing process, I recognized that I had to cut off every generational curse because I do not wish to let them befall on my daughters. I took the authority, vested on me by God, together with my spouse, to break every single curse which was passed down to the both of us. We claimed the blessings that the Lord has in store for us as a family. As parents, we humbled ourselves before our girls to ask for their forgiveness for the hurt and pain we have inflicted upon them. The curses were removed and a new level of closeness in the family took place in God’s mercy and grace.

**John, how did you see things differently after the seminar and ministry sessions? What changed you and moved you the most? Through God’s healing touch, how does that change you as an individual, a husband, and a father?**

Through the ministry, I learnt that much of my behaviour and thoughts were greatly influenced by my parents and ancestors. Their

ungodly practices and beliefs were brought down as curses to many subsequent generations down the line. This opened doors for Satan to use them against me, leading me to believe and accept a life that is less than what God has desired for me.

What touched me most in this ministry was that I experienced the love of Jesus. I truly experienced and understood the unchanging love that God has for me. This can only be through experience and cannot be described in words. The love of God truly sets me free and I can boldly come before God without shame, which in the past before going through the ministry, I had difficulty relating to God in a personal way. Now my prayer life, personal worship and the totality of my life has become very much tied to my relationship with God in a very personal way. Through the ministry, my spiritual life was restored from the inside out. This is something that cannot be done through head-knowledge. This can only be demonstrated by the power of the Holy Spirit and this is something achievable, not difficult and far-fetched in God.

With the ministry sessions received, they have helped me, through the enablement of the Holy Spirit, to cut off all ungodly ties and influences within my life so that I can be more sensitive to the leading of God, not with shame and fear, but with boldness and confidence. As a husband, I subject myself to the leading of the Holy Spirit, and I hold the fort in praying for my wife, instead of finding faults with her and displaying my anger and frustration towards her. As a father, I see the importance of bringing up my daughters with godly values by influencing them with my lifestyle, so that the generations through them shall be blessed.

**John and Mary, was it helpful attending the Wholeness Seminar together as a married couple? Why? Could you share your experience as a couple?**

**JOHN:**

Attending the wholeness seminar and going through the ministry sessions helped us be on the same "spiritual frequency". This brought

unity in our spiritual life, resulting in a closer relationship and communication with God and with each other.

In the past, when facing a problem, we could not agree with the solution and many times we would spite each other by saying things like "God spoke to you but not to me". After the ministry, we make a point to pray together and hear from God what He wants to reveal to us.

**Anything else for Gracian couples out there?**

**JOHN:**

For couples who are going through challenging times, I highly recommend you to consider going through the Wholeness Ministry together. The evil one will use many forms of distraction to deter you, but be firm by making an absolute decision to sign up for the ministry. Your effort in restoring the marriage will be greatly rewarded.

**MARY:**

Many have the impression that we do not need inner healing when things are going smoothly. Hunters will never go for dead ducks. Likewise, Satan will always seek to destroy marriages and families. Why give him a chance to hinder the blessings God has for your marriage and your life partner and many generations to come?

It is time for us as Christians to rise to the call to preserve the sacramental marriage. Wholeness ministry is a platform that propels us to discover our true identity in Christ. It sets us free from any form of bondage and curse. It enables our relationship with God to be restored.

If issues within your marriage are draining you, it is a clear indication that God desires to heal and restore it accordingly to His will - to use you and your spouse greatly for His Kingdom's sake.

Until and unless we step out to taste and experience God's unfailing goodness, we will never be able to fully experience the immense love that God has poured out freely for us.

## About Family Footprints Camp

(Head up, phone down, let's have a family face-to-face conversations)

Are you communicating with your children through mobile phone SMS, whatsapp, facebook, instant messaging or e-mails most of the time? Are you children eating their meals and looking at their mobile phone at the same time? Parents are culprits too. Children are watching what their parents are doing and copying that behaviour. In a research study by Dr. Sherry Turkle, a clinical psychologist

and a professor of Social Studies of Science and Technology at MIT, she found that children felt that their parents paid less attention to them than to their smartphones, especially at mealtimes, in the car, during sporting events and even sometimes during bedtime stories. Quoting from Dr. Turkle in an interview: "Conversation is the most human and humanizing thing that we do. It's where empathy is born, where intimacy is born - because of eye contact, because we can hear the tones of another person's voice, sense their body movements, sense their presence. It's where we learn about other people. But, without meaning to, without having made a plan, we've actually moved away from conversations in a way that my research was showing is hurting us".

We need to engage in face-to-face interactions with our children because it lets them know that you are interested in what they say and do. Face-to-face interactions between a parent and child are the building blocks of the child's emotional, social, and cognitive growth. "For a child, being face-to-face with you adds a special quality to the interaction. It brings you closer to her, physically and emotionally, and makes her feel that you're really with her" (Weitzman & Greenberg, p.75).

In the coming Family Footprints camp held in Desaru, Malaysia, we will put away our mobile phones and any electronic gadgets at the dinner time. We want to create opportunity and more time for face-to-face communications between parents and children not only at meal time, but also during our traveling and play time.

To strengthen family bonding, both parents and children will participate in a fun and learning workshop conducted by Brother Philip

Ang, a member of our church and a psychologist in private practice. This workshop will allow families to have the opportunity to develop closer family ties by:

1. Being aware of the biblical perspective of the roles of parents
2. Being aware of personal emotions when connecting with our family members and
3. Learning to accept challenges and solving problems creatively and openly within the family.

**This camp also includes taking a relaxing river cruise - boat ride - to explore the fireflies. Your family can appreciate first-hand how the amazing fireflies among the mangrove vegetation light up the dark starry night.**

### In closing, could you share some final thoughts on the Alpha Parenting Course?

Here is what some participants said about previous runs of the Alpha Parenting Course in Singapore:

*"Insightful, enjoyed small group sessions". [Elena]*

*"Learnt to be a better parent". [Michelle]*

*"Hearing about others' experiences on the videos and in real life. It's been great learning from the facilitators who've been open & willing to share about their lives; closer to home – in our Asian context as well". [Natalie]*

*"The video presentation, the ideas that other parents have on how they handled various situations – that I am not alone; others go through similar situations". [Lynette]*

*"Learning from more experienced parents" [Karen]*

*"Most times the sharing sessions can be very interesting and it is a pity that we do not have more time to talk about all the issues. This is of course restricted by the lunch time hour that we've to work with, but it'd be good to hold longer sessions" [Natalie]*

*"The tips and suggestions are good. Now, I just need to work on remembering them and putting them to use". [Lynette]*

*"The parenting course offered my wife and me a valuable opportunity to share experiences with other parents with the same faith. Over time we learned from each other. It was particularly comforting to know that we were not alone in the parenting issues we face. The material presented in Nicky and Sila Lee's DVD was very informative. I enjoyed particularly the lively interviews and hearing the brilliant ideas that the Lees used in their own household. I hope more parents will benefit from the subsequent runs of this course". [Kingston]*

*"Looking forward to Alpha Parenting Teenagers Course". [Karen]*

# THANK YOU FOR GIVING TO GRACE MISSIONS

As of 10 February 2017, we have received **1.83 million** worth of missions pledges. Thank you so much for giving to Grace Missions! The Bible says in Matthew 13:21 — *“where your treasures is, there your heart will be also.”* Thank you so much for investing in the Kingdom of God.

For most of the countries that Grace Missions is involved in, we can support a pastor and his family for just S\$ 200 per month. When freed of this financial burden, he can then concentrate on building his church full time. He doesn't need to be bi-vocational. Grace Missions have supported the planting of 1785 churches in this manner through the years. If every church can have just 50 people, can you imagine how many people we are impacting every single weekend? This is just a conservative estimate. Praise the Lord for the fruits of your giving!

We are making a big impact in the countries we are involved in. Many of these churches are in tough places where the people are either aggressive or resistant to the Christian presence. We believe in Grace Missions that these places must be reached for Jesus. There is much more work to be done.

Years back, one pastor figuratively said that “this pledge card is someone else's ticket to heaven.” I would like to think that this is so. We must continue to invest in the Kingdom of God.

If you are giving to Grace Missions, please take the Red Missions Envelope from the service halls. You can put the money or cheque into the Envelope and drop it into the offering bags. If you are writing a cheque, please address it to “Grace Missions”.

You may also wish to give to Grace Missions through internet banking:

# CCK HOPE MISSIONS TRIP TESTIMONY

On the 3 – 4 December 2016, four Families from our cell – CCK Hope, embarked on our first missions trip to Batam. Our cell's intention of going for a missions trip was first mooted more than a year ago. In God's own perfect timing and with His grace, our mission trip finally materialised and became a reality.

Weeks before the trip, we received news that a row of houses in Batam got burned down and the situation was quite tense. On top of that, one of our children contracted HFMD only one week prior to the trip. Our cell prayed fervently and God delivered us. The child miraculously recovered within 2 days. The situation in Indonesia also returned to normalcy and we were ready to proceed with this mission as planned.

This trip was a fruitful one. Within two days, we were able to share God's love with the Batam Christians, young and old from the children, the youth and the adults congregation.

In one of our programme, our children danced and worshipped God with the tambourine. When they started to focus not on their performance but on their worship to God, His name was exalted and we could see God's presence taking over.

Each of us four couples had the privilege to share our testimony with 80 couples in the couple ministry. We were amazed at the spontaneous response from them, especially during the altar call. During the altar call, all couples came forward to be prayed for. We strongly felt the holy spirit filled the place and although we prayed for them in English (a language which they may not understand), we sense God ministering to them and to their marriages.

One thing that really impacted and touched our team is the hunger that the Batam Christians have for God. Regardless of their age, everyone worshipped the Lord wholeheartedly and zealously. This made us open our eyes to hunger and desire more of God. We are very thankful that we were able to go for this missions trip. God has indeed touched us individually through the Batam Christians. Through them, we can see God's abundant love, faithfulness and grace. Glory Be to God!

## Children's Quotes :

"The trip has been a very enriching one. Being the only youth there and going on my first missions trip, I did have some fears and doubts about how successful it would be. However, during the trip, God worked miraculously in His own unique way. I experienced God's great compassion for His people and I realised nothing is impossible with God; He can do great things anywhere, everywhere" - *Shervon Tan, 15*

"We do not need a lot to be happy." - *Tan Jia Wen, 11*

"When we are doing our worship, I realised that all the children in Batam are very enthusiastic about worshipping God and that they love God very much. It made me think about myself and I decided to try to be more enthusiastic about serving God. The tambourine dance was also very enjoyable. I really felt God's presence in the room and I enjoyed dancing for God." - *Rachael Lim, 11*

"Before this mission trip, my parents told me that we were going there to touch the lives of the children in Batam. However, when I got there, it was them who touched my life. The children sang and praised God with all their hearts. Even though they do not have much, they are very rich in spirit" - *Sarah Aw Yong, 10*

# LET THE CHILDREN GROW IN KARIMUN

BY BENJAMIN ANG

As part of Grace Kids, we would send out teams of primary six children up to Karimun for a missions experience every year. In November 2016 however, the missions trip that was organized was a little bit more special as we included children from the primary five level as well. We took a ferry ride to Karimun. That day, the journey was a rocky one, it seemed as if the weather was not in our favour as the heavy downpour caused the waves to rage. Unfortunately, a few children vomited during the ferry ride but soon recovered and were pumped up for the trip. For many kids, this was their first missions trip and especially their first trip out without their parents.

The conditions at Karimun were vastly different than that in Singapore. The food, toilets, environment, language and the way the local children behaved and interacted with one another all contribute to a bit of a culture shock for our Singaporean kids. It was hard for our kids to get used to for a start. Despite the odds, our kids from Singapore definitely grew and learnt to appreciate the things that they have. The children of Karimun worshipped God with fervor and the Singaporean kids caught on this attitude of worship. At first, our Singaporean kids had problems relating to the local children primarily due to the language barrier. After a while though, they started playing and helping them. They found out that despite the language barrier, they are still able to enjoy one another's company and fellowship through meals and games. I believe then, that love and an open heart is the language of children.

During the three days we conducted lessons in church for the local children and had a children's service in a house in the village. We also conducted five home visitations in the village, and the children prayed for the families. This was an eye opener as they learnt that despite the sparse furnishing and lack of amenities, the people still had great hope and joy in the Lord. They learnt that it is our heart that connects to God and not the nice chairs, air-conditioning and wonderful props that matters. On the last evening, we did a prayer walk around the harbour. The children learnt to pray and care for the people of Karimun.

If you are thinking about sending your child for a missions trip, join us this year! It would surely be a growing experience for your child.

## Saturdays @ Lengkok Bahru

### Vision

Setting time aside to care for the community on Saturdays.

### Mission

Reaching out to the community at Lengkok Bahru, by alleviating the residents' quality of life, through the demonstration of God's love & power.

### History & Now

In 2011, a small group of volunteers from Grace Assembly started to invite the elderly & needy residents living in Lengkok Bahru blocks 52-61 to the void deck at Block 52 for lunch on Saturdays. As more elderly started to gather every Saturday, new friendships were formed & the community strengthened, with volunteers even helping with repairs of appliances in their homes. For residents who were absent, volunteers will bring food packages to their homes.

This ministry has since grown, is currently headed by Bro Raymond Khoo (Grace member & owner of The Peranakan@Orchard), with his team of faithful & dedicated volunteers. Lunch is still being served to 60 residents. After lunch, a chartered bus brings 25 residents to attend Saturday Hokkien service at Grace Assembly. Tuition sessions held at nearby Community Centre, are attended by 25 children. Overall, the ministry serves a total of 135 families.

Ultimately, this ministry would like to see more residents & their children attend church services at Grace Assembly, where they will find meaning & fulfillment in life through the gospel message of Jesus Christ, thereafter reaching out to help others.

### Join us to serve in any of these following areas

- Serve 'Makan'/Lunch
- Befriending the Elderly
- Food Distribution nearby Elderly HDB homes
- Other Services (Hair-grooming etc)
- Children's Tuition Teachers

## Grace Dance Ministry

我是梅森勇，今年69岁。从小读教会学校 (De La Salle School)。

很久以前，我的太太和我的女儿还有大姐都已经洗礼信主，可是我就是没有感动，不觉得要和她们一样。虽然女儿们常叫我去教会，可是我都“没兴趣”。

可是上帝很爱我，在去年六月左右，现在Blk163的恩典操，前地点是在我住家Blk184楼下。我的小姨美爱就叫我到楼下参加她们。上帝真的很爱我，看我没有积极参与，在结束时就下了一场狂风暴雨，让佩珍老师，Belinda, Josephine, Jenny没有办法回家，就被请上我家，单单教导我跳操，使我更有信心地学习。过后她们也常常来探访我，唱诗歌给我听。她们的爱也触动我对耶稣的认识，因此我决志接受耶稣为个人救主。

我也非常谢谢美莲传道和探访队来关心我，为我祷告。恩典操的姐妹们也热情地邀请我参加教会举办的许多活动，我也很喜欢参加一个月一次的饮早茶活动。

恩典二就像一个温馨的大家庭，在Josephine再三的鼓励下，我终于决定洗礼。

在这里我也非常谢谢Pastor Joey耐心地给我上洗礼班，指教我许多应该学的教义，让我有机会加入天父的大家庭。

感谢赞美主!

Alice: 自从我加入恩典操之后，整个人变得活泼开朗起来。跳操可以锻炼健康的身体，也认识好多朋友。跳操让我欢喜快乐，后来我也加入恩典堂的福建堂大家庭崇拜，主的带领使我认识主内弟兄姐妹和牧者。恩典堂也主办好多活动，让居民参与，大家一起扶持关怀与分享喜乐。感谢主，荣耀归于上帝。阿们!

## 2017恩典一华语堂 新年捞鱼生

新年捞鱼生是恩典一华语事工每年都举办的新年活动之一。目的是要藉着佳节庆典让信徒们可以与亲朋戚友一起分享农历新年的喜乐。并藉此机会与他们交流团契，促进彼此间和谐的关系。让未信的亲朋戚友有机会接触教会的活动，也让基督徒感受华人的节日和传统是不因信仰而放弃。今年的新年捞鱼生聚餐大约有260人出席，其中约有100位是新来的朋友。这也为新来的朋友撒下福音的种子。今年的游戏和活动也由我们堂会较年轻的人来带动。在一片喜气洋洋和欢乐的气氛下共享万兴楼为我们预备的爱宴。

## 恩典二华语堂 新春捞鱼生

恩典二华语堂事工在2月12日举办了新春捞鱼生的活动。总共有两百多人参与。这一天，弟兄姐妹一同玩游戏，一同跳舞，彼此交流团契，玩得不亦乐乎。感谢神！荣耀归给主！

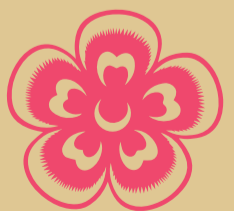

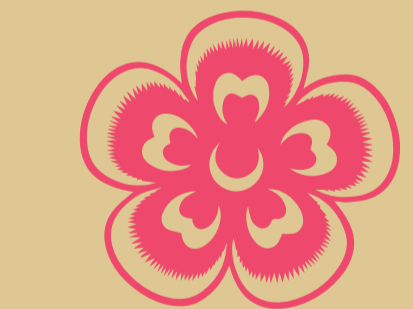

## 恩典一和二福建堂 新春欢庆捞鱼生

福建堂在2017年2月12日下午在乐满楼举办了新春欢庆捞鱼生活动。总共有两百多人出席，其中有45位是新来的朋友。这一天，大家聚合在一起，享用美食，彼此交流，一同玩游戏，跳舞唱歌，其乐融融，洋溢着过年的喜悦。愿荣耀归于神！

## 恩典一粤语堂 捞鱼生聚餐

2017年2月11日，恩典堂粤语崇拜聚会在金禧楼举行新春捞鱼生聚餐，宴开十六桌。当中有教会的弟兄姊妹，还有社区朋友来宾，宴会中喜气洋洋，集聚一堂，主恩满溢。开始的时候，由主席骆牧师祈祷，主任牧师李兆明牧师讲欢迎词和祝福，大家都非常享受这个宴会。饭过二巡，我们便开始游戏项目，我们先跳鸡舞，大家都热情参与，老少咸宜。然后，有猜谜游戏，大家竞争激烈，战情紧凑；结果第二、三名同分，经过再一轮比赛，才能分出胜负。虽然大家竞争激烈，但大家都表现体育精神，以礼相待，体现主耶稣的爱。牧者、助理和弟兄姐妹都同心合作，各尽其职，所以能成就美好结果。愿荣耀归给神！希望藉着这次聚会能与弟兄姊妹有美好的交通，并且对未信的朋友作一个美好的见证。
