## RESTORED TO WHOLENESS DEVOTIONAL

Scripture:	ROM 12:2	Title:	Ungodly Beliefs
Author	Sarah Ee		
Key Principle	Ungodly Beliefs are thoughts, world views and attitudes that are contrary to the nature, character, and the Word of God. Godly beliefs on the other hand are those in alignment with the nature, character, and Word of God. These beliefs are rooted in our heart and reflected in our actions. Ungodly beliefs can adversely affect our destiny in Christ while Godly beliefs help us to stand firm when we face challenges in our lives. We need to replace our ungodly beliefs with godly ones. This is done through the renewal of our mind by God's word and Spirit.		

Key Verse(s) NLT	How does it speak to me?
<i>'Do not conform to the pattern of this world but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is – his good, pleasing and perfect will.'</i>	<p>I have believed in a lie since my childhood. The lie was that I am stupid, and I cannot achieve much in life. I came from a family of achievers. On top of that, my mother side of the family are all musically inclined. All my cousins can play a musical instrument except me. I was born a late bloomer. My primary school grades were all red marks except for languages. I also cannot master the piano after three years of lessons. The title stupid stuck with me. Friends, relatives, teachers, parents all contributed to this belief. How does it affect me? I suffer from low self – esteem and don't feel good about myself.</p> <p>When I went through Wholeness Ministry, I learned to replace my ungodly beliefs with godly beliefs based on God's truth. This is what renewing my mind means. God says I am wonderfully made. He has given me a hope and a future. These powerful truths replaced all the negativity that was spoken into my life. I thank God for His promises and what His word says about me. My thought process changed as God's words transformed me. I begin to see myself with God's eyes. I am wonderfully made. I have a hope and a future. Today, I thank God I am successful as a wife, mother and ex – banker.</p>
