

Grace Assembly Of God

CHAPTER-BY-CHAPTER BIBLE READING DEVOTIONAL

Scripture:	Exodus 6	Title:	It is NOT a wrong choice!
Author	Ps Larry Lee		
Summary of Chapter	Chapter 6 is about God assuring Moses that He would deliver and lead the Israelites out from the land of Egypt. Moses told the Israelites about the news, but they did not want to believe him. Then, Moses argued with God, "Wrong choice!" because Pharaoh would not believe him. But God repeated His command to Moses. But he again replied, "Wrong Choice!"		

Key Verse(s) NLT	How does it speak to me?
³⁰ But Moses said before the LORD, "Behold, I am unskilled in speech; how then will Pharaoh listen to me?"	<p>Moses saw himself as unsuitable for the huge task. He felt unqualified to do it. I can identify with Moses' reluctant response. I am reminded that God can use my weakness to showcase His power so that others would see and give Him praise.</p> <p>When I was given a new and daunting assignment, I felt I was not up to it. I was looking at my own ability than God's supernatural ability to fulfil His assignment. I did not consider God would grant me His wisdom and grace for this assignment. I repented before God for the lack of faith. I went on accept the new assignment with a posture of humility and teachability.</p> <p>When God gives us an assignment, He already knew what we can do and cannot do. People make mistakes but God cannot make mistakes! He is God! God is never surprised when we fall. God is willing to risk His reputation for you and me. And it is through those God's appointed assignments that we know God's attributes and grow in our identity. Amen! "God does not the call the prepared. But God prepares the called.</p>

APPLICATION REFLECTIONS

Youth:	What is God saying to you in this verse "Behold, I am unskilled in speech; how then will Pharaoh listen to me?" What kind of excuses do you give when you know that you are in the wrong? How would you overcome them?
