## CHAPTER-BY-CHAPTER BIBLE READING DEVOTIONAL

Scripture:	Matthew 11	Title:	Are You the Messiah?
Author	Sis Sim Soo Wei		
Summary of Chapter	In this chapter, John who was in prison sent his disciples to Jesus and asked if He was the Messiah.		

### Key Verse(s) NLT How does it speak to me?

<p><sup>3</sup>"Are you the Messiah we've been expecting, or should we keep looking for someone else?"</p>	<p>Many of us have expectations of what a Messiah should do. When we meet with the toughness in life, with pain and sufferings, do we also ask, "Are you really the Messiah?" When my son had to go through six surgeries within the first two years of his life, I faced many disappointing answers to my prayers. I asked Jesus, Are you are truly the Messiah, the Savior who will come and save my son? My faith was confronted as I found myself confronting Jesus if He is truly God. Why is my son not healed?</p> <p>I went back to the Word of God to listen to what God had to say to me. I traced back my faith history and recalled the faithfulness of God in my life. The many breakthroughs and answered prayers that pointed me to Him, my Messiah. I held on to my faith and trudged on and that was when I began the to see breakthroughs. Breakthroughs not in my situation being lifted off totally but breakthroughs in my faith in Him.</p> <p>In our times of trials, are we expecting the Messiah to save us in the way that we think we should be saved? Or are we trusting in Him to know what is best and not fall away just because our own expectations are not met.</p>

Child:	Share a time when you struggled to say God is real and why. Try this activity: Stand still and experience the wind rustling through your hair and gently dancing across your face. How does this help you know that God though unseen, He is real and He is there?
