

Grace Assembly Of God

Chapter-By-Chapter Bible Reading Devotional

Scripture:	Genesis 7	Title:	Obedience Pays!
Author:	Ps Larry Lee		
Summary of Chapter:	God instructed Noah to bring his family and every kind of animal into the ark. A huge flood came and lasted 5 months. Noah, his family and the animals were not wipe off from the flood.		
Key Verses (NLT):	How does it speak to me?		
5 So Noah did everything as the LORD commanded him.	Noah and his family received a “Quarantine Order” from God to stay in the ark for more than a year. Now many of us are staying at home or working from home due to the circuit breaker measure. I know that it is very inconvenient for many of us to follow such instructions! Personally, I am learning to trust Him more by making time to rest in Him so that I can listen to His instructions clearly during this unprecedented time. It is not comfortable because I like to be in control over things. It is especially so as we are leading and doing church online. But I know that Our God is faithful to see us through when we choose to obey Him wholeheartedly. It will cost us something if we seriously want to follow His commands. And our obedience to God will result in blessing others and ourselves!
