## Serving the COMMUNITY!

The church theme for 2017 is **Above All, Love – Serve Him**, and one of the aspects of serving Him lies in our service, not only to each other, but others in the communities.

The Lord has strategically positioned Grace Assembly at Tanglin and Bukit Batok, where there are several works of planting, watering and sowing the seeds of God's love to the people in the communities within these 2 church locations.

Our gratefulness and gratitude to God for the fruits we are seeing from these community works. Indeed, we give all glory to the Lord for these opportunities and the fruitfulness.

Moving forward, we want to focus more on the community in Lengkok Bahru within the vicinity of Grace I. I believe it is a momentous time and season to increase our ongoing efforts and believe God for more lives that will be touched and impacted. So, a 'Love Lengkok Bahru' campaign will be launched in 2017.

For Grace II, we want to continue with the community work, and increase the momentum this year with the 'Love Bukit Batok' campaign to reach out to even more residents.

I thank all the volunteers who have helped out with the communities' works and projects at these 2 churches' locations over the year. Your selfless involvement has made it possible for reaching out and serving in these communities.

However, we need more volunteers, and especially with the campaigns we are planning for 2017. I am calling on you to join us in this exciting missional journey of serving the community that is around us. You are encouraged to look at the information provided in the March issue of Grace Bulletin, and indicate your involvement with us.

Let's serve our community with His love and trust God for a powerful breakthrough in the lives of these people!

## THE SERVANT-KING

- |                  |                      |
|------------------|----------------------|
| 1. Kingdom Come! | 5. True Greatness    |
| 2. Over All      | 6. Be Fruitful       |
| 3. Within You    | 7. For Us            |
| 4. Heart Matters | 8. Kingdom Continues |

## SYNOPSIS:

The Gospel of Mark presents us with a King with a mission, demonstrating authority and power in His preaching, teaching and working of signs and wonders. The religious leaders feeling threatened, oppose Him. His disciples and the crowds follow Him with amazement but soon discover that His kingship is one vastly different from their expectations. This is a King Who is also a sacrificing Servant, submitted to the will of the Father. So the question is: what is our response to such a King? Follow Him whole-heartedly in His mission or reject Him and His call to us?

*Mark 10:45 "For even the Son of Man came not to be served but to serve others and to give his life as a ransom for many."*

## UPCOMING NEWS @GRACE MISSIONAL COLLEGE

### RESOUNDING PRAISE & REFLECTION

GMC is entering into the 2nd year since its launch in January 2016, with the 1st module, Christology, that had more than 30 students from Grace Assembly. The last module, Courageous Conflict Resolution, was held from 17 to 19 November 2016.

A total of 57, including 7 couples from Family Life Ministries, pastors and leaders from ICM; our partner, and churches, attended this module taught by Dr Joe Umidi. Most of us have benefited from his teaching, and learned from him the biblical approach and practical effective constructive resolution strategies, methods and managing conversations.

We are filled with gratefulness to God for the students who have signed up for the modules and continued to be faithful in attending the program.

# WHOLENESS SEMINAR

*So all of us who have had that veil removed can see and reflect the glory of the Lord. And the Lord — who is the Spirit — makes us more and more like him as we are changed into his glorious image.*

2 Corinthians 3:18 NLT

If you are searching for God’s touch in your life in the area of inner healing and are looking to hear from God’s word what He says about your situation, we encourage you to read the following questions answered by **Pastor Benjamin** and **Sister Tricia** who will be leading us **along with their team** through the Wholeness Seminar in the different areas of inner healing this month in February.

Pastor Benjamin and Sister Tricia

**Q1) How do I know that I need Inner Healing in my life?**

This ministry is not just for the down and out or those who are emotionally unstable. We would like to debunk the myth that only those who are problematic need inner healing.

All of us are God’s work in progress. God desires us to be transformed from glory to glory. That’s the reason why we are here in our faith journey on this earth and not in heaven.

Whether you are a new believer, a mature believer, or a leader in

the church or someone struggling with addictions or bondages in your life, we all need this ministry.

In fact, receiving this ministry is like doing ‘spring-cleaning’ to our souls every now and then as we gather “dust” along the way in our growth journey. We want nothing to clog our spiritual pipes to God. We want to be able to hear God and sense God in our daily lives. God’s will is that we walk in freedom and experience a greater intimacy with Him. So, Wholeness Ministry is for all who desire to grow deeper in our relationship with Him.

**Q2) Is the Inner Healing Ministry similar to a Deliverance Ministry?**

Wholeness ministry is much more than just deliverance from demonic oppression and healing of past hurts. We (Ministry Givers - MGs) deal with hidden ungodly beliefs by helping the participants (Ministry Receivers - MRs) to construct and replace these ungodly beliefs with godly ones from His Word. We also deal with past hurts by leading MRs to experience the healing of memories. Through the revelation of the Holy Spirit, we also deal with generational patterns by leading the MRs through identification repentance and cutting of ungodly soul ties. During the ministry sessions, there will also be times when the MRs hear from God and receive prophetic revelation pertaining to their lives and God’s promises for them.

In using the Restoring the Foundation (RTF) integrated model, we also teach all MRs to continue to walk in freedom, and to use the tool to deal with their issues as they arise there and then.

It can also be used as a discipleship tool in having greater intimacy with Father God and transformed lives in Christ.

**Q3) How would the three days of the workshop be organised?**

There are 2 parts. In Part 1 of the seminar, we address the roots of our struggles from God’s Word, receive the teachings, hear testimonies from previous participants, and release prophetic words to individuals during the altar ministry time. All these help build the faith of the MRs and cause them to be aware of the enemy’s strategy in keeping us bound. By teaching God’s truth, we expose the lies of the enemy and prepare the MRs to receive ministry in the ministry room, which is Part 2 of the seminar. The MGs will meet the MRs individually to take them through the ministry process in the three-hour session.

**Q4) Would I have a chance to share my challenging situation that I am currently facing and receive prayer and counselling?**

Yes. In fact, when you (MR) attend the Wholeness Seminar, you are given a Personal Questionnaire (also known as PQ) to fill up so that the MGs can better understand your struggles and challenges. During Part 2 of the ministry process, the MGs will use the questionnaire to do a quick interview to confirm the assessment and then spend the entire time praying through the issues with you.

**Q5) What expectations must I have regarding my situation after attending this workshop?**

God's work of sanctification is progressive in transforming us from glory to glory. Like an onion, the Holy Spirit is always gentle and patient and will deal with us layer by layer until we are perfect in Christ. He will not deal with us in the issues that we are not ready to allow Him to work on. The extent of our freedom is the extent of our openness to Him. Come with an open mind and heart for the Holy Spirit to work in our lives and you will see breakthroughs in your life!

**Q6) Must I be a Christian in order to attend the workshop? Can I be a relative or friend of a Grace member?**

Yes. You need to be a believer in order to fully benefit from the ministry. We wish we could extend the ministry to non-Gracians. This is a very 'labour-intensive' ministry and at this point, we only have a small ministry team. So we hope to give priority to Gracians.

**Q7) Could you summarize your final thoughts for the Wholeness Seminar?**

We have started Wholeness Ministry using the Restoring the Foundations (RTF) integrated approach for 2 years. We are excited in seeing lives set free and the testimonies that we have been receiving from the ministry team and participants have been simply awesome and encouraging. It's amazing to hear how God touches and transforms lives.

We know this is the season and time that God wants to do a deeper work in His children. Let's get the spiritual trash out and be transformed into His likeness.

# Come and experience the Father's love and goodness.

# REACH Bursary Awards 2017

## Serve the community youths!

REACH is always on the lookout for dedicated volunteers who are passionate about youth work. If you are a tertiary student, young adult, teacher or tutor and would like to volunteer in our academic programmes, we want you! Contact [elaine.tan@reach.org.sg](mailto:elaine.tan@reach.org.sg) for more information.

REACH Bursary and Mentoring Programme is in its 9th year running and it has helped countless low-income families by relieving financial stress when it comes to school-related expenses.

REACH Bursary and Mentoring Programme is unique because the bursary awards are handed out to applicants based on potential instead of good academic results.

Most bursary awards are given to needy students who are doing well in studies while in the case of REACH, the bursary awards are given to needy students who are struggling in their studies.

The bursary award is given in two parts – once at the commencement of the Bursary and Mentoring Programme and once at their graduation from the programme. Recipients of the bursary award will have to go through the year-long mentoring programme before they can graduate and receive the second part of the award.

Mentors guide the recipients in their studies and positively influence their thoughts, speech and behaviour through sharing their life experiences and coaching.

This year, 113 recipients will receive a total of \$78,000. Through the generous donations and support from Grace Assembly of God and other donors, the youths are given the opportunity to improve holistically through the programmes in REACH.

In the few weeks before and during the start of the Lunar New Year, literally, billions of people around the world will set aside time, some traversing the globe, just to be with their loved ones to share a meal, lavishing gifts, or exchanging greetings and well wishes.

The lunar new year is more or less a reset button, leaving behind the old, and to set our eyes on a better new.

At REACH Community Services Society, we want to thank you for your staunch support for our common cause, which is to reach out with the compassion of Christ to love the Least, the Lost, and the Lonely in the Community that God has put us in.

We wish you the Lord's choicest blessings. The Scripture Proverbs 11:25 exhorts- "A generous person will prosper; whoever refreshes others will be refreshed."

So here is to wish you from 3 John 1:2 – "Dear friend, I pray that you may enjoy good health and that all may go well with you, even as your soul is getting along well". Summarised in 8 Chinese characters: 身体健康, 万事如意!

Happy New Year.  
Cheers to the Lord's blessings!

# THE SAFEST PLACE IN THE WORLD

BY ESNA ONG

By the time you are reading this article, I would already be in Istanbul, and I will be there for the next six months for a university exchange program. I will be using my time there to serve the refugees too!

Many would probably say this: "Istanbul ... isn't it very dangerous there now?"

Located at the crossroads of Europe and the Middle East, Istanbul is a hub for refugees and extremists. The eclectic city has been in the news very often recently, having suffered major attacks in the past few years. From the June bombings on its Atatürk Airport to the New Year's shooting in a Reina nightclub, scores have been killed and far more injured.

I was in Jordan on a summer trip when the news first broke of the horrific suicide bombings on the Atatürk Airport on June 28. Immediately, I asked the Lord, "Should I still head to Istanbul to study and serve the refugees there?"

There is a difference being confident in the will of God and being reckless. As long as God gives the green light, I have no qualms going ahead. We should not rush into compromising situations.

Soon after, I was in an overnight prayer meeting seeking direction from the Lord. A local went up and started quoting the Scripture. I hardly remembered anything he said, except that there was something about "a highway from Egypt to Assyria."

The next day, my friends and I brought an Iraqi friend out for dinner. When we were in the car, he started excitedly typing on his phone and quickly showed me what was on his screen. It was Isaiah 19:23 — "In that day there will be a highway from Egypt to Assyria. The Assyrians will go to Egypt and the Egyptians to Assyria. The Egyptians and Assyrians will worship together."

That was the exact same verse God highlighted to me the night before. I found out, to my amazement, that the Assyrians were people from Turkey and parts of Syria and Iraq.

It was a divine confirmation from the Lord that I was on the right track, and I could proceed with heading over to learn and serve the people He loves so much.

There is a famous saying that goes, "The safest place in the world is to be in the center of God's will." While doing the will of God certainly may not lead us to the safest places, we can be rest assured that it is the best place to be in.

# STARTING OUT IN TANJONG PINANG

BY ANDREW YEOH

Considering the language barrier and cultural differences, I started the missions trip with a little doubt and skepticism. So it was ironic that our journey to Tanjong Pinang started on a boat, which reminded me of some of the greatest Bible stories about faith and obedience. Without having to walk on water or be swallowed by a big fish, I saw how when we trust and obey, God always amazes us.

During the Saturday Christmas service for the kids, Xin, Channy, Joo Ee and Myung Duk put together a puppet show and short message about the true meaning of Christmas and the cleansing power of Jesus' blood. It was so encouraging to see almost all the children raising their hands in rededication to follow Jesus. For me, looking at how intensely the kids clasped their hands and bowed in prayer was truly humbling and a great reminder of the childlike faith we ought to have. Speaking of childlike faith, it was such a blessing to see our youngest mission tripper, 4.5 year old Eli (eldest son of Alex and Channy), giving out Christmas presents to the local kids.

In the adult service, Alex shared his personal and impactful story about his family background and how God used his broken family's past to create the loving and Godly family that he now has with his wife Channy and their three kids. For the local people who faced many marriage and family issues, Alex's sharing must have felt like a healing balm on a hurting wound. The team ended the night by blessing the local people with an Indonesian worship song called Kar'na SalibMu, which means Because Of Your Cross. The song spoke about how only Jesus can purify, restore and is our hope and everything.

During the Sunday service, Kok Lin and I teamed up to share a message about "The Joy in and Beyond Christmas". Kok Lin started by talking about the joy of the Lord and aptly used Apostle Paul's story in prison. He delivered some timely reminders about how we can rejoice no matter what we are going through in life. I took over the baton by sharing some personal stories to talk about prayer, thanksgiving and the peace of God. Concurrently downstairs, Joo Ee and Alex were using simple illustrations to teach the local children about the fruits of the Spirit.

The local food was delicious and the team ate like it was the last supper. After lunch, the local pastor and his wife invited us to visit the plot of land which God had blessed them with for their new church building. After that, we visited the pastor's home to hear about their specific church / community needs that the next team could address in 2017. We then prayed for their family needs and ministry desires for the coming year.

We would like to thank Ps Peck Yin for leading us on this trip. Her shepherd's heart touched us deeply and reminded us how God can do mighty things when we avail ourselves. We are glad to have had the privilege to bring our five loaves and two fish, and witnessed how God multiplied

it to sow seeds into the lives of the people of Tanjong Pinang. To God be the glory!

## ANNOUNCEMENT

### MISSIONS INTERNSHIP PROGRAM

Grace Missions is coming up with an internship program aimed at equipping and spurring on Gracians who have a possible full-time missions calling through a practical and robust training program with opportunities to apply skills learnt in our many church planting works throughout Asia.

The internship will be a total of 6-9 months, starting with an intensive 2-3 months training to be thoroughly equipped to thrive in a cross-cultural setting. After that, what has been learnt will be put into practice in a field internship where the interns will have the privilege of serving many. The learning possibilities are endless – leading teams, exploring and reaching new people groups – just to name a few.

# THE HEALING POWER OF JESUS IN INDIA

BY GAVRIEL CHUA (FURTHER EDITED BY ALLEN KOH)

I was part of a team of 13 people led by Ps Matthew Tan. We were in Odisha, India from 09 - 18 December 2016. We ran Children's programs, shared in believer's meetings (cell groups) and did healing services.

In this particular trip, one area that impacted me the most was when we visited the homes of the Hindus in the villages at Jajpur. They were warm, hospitable and almost all the families served us with sweet drinks. Prior to this trip, I have been to three missions trips and I usually did children programs for the churches and when there were house visitations, we visited only the homes of the believers', never the non-believers.

It began when we went to the villages to do healing and deliverance for two days. After we conducted our first healing service, news of healing started to spread. The village pastor then requested for us to visit all the believers' homes to pray and bless the people. When the Hindus saw that the team was going around the homes of the Christians and healing happened, they also wanted such blessing. The Hindus who were usually against Christians called us into their homes. They were surrounded by idols and temples, we prayed for the sick and delivered those possessed by demons. Healing happened everywhere we went — bodies were strengthened, deaf ears opened, the paralyzed started to walk again. We visited 35 families over two days.

On the last day we did a healing service at the church and many people turned up. The church hall was full and yet more people were still wanting to come in. They were sitting on rooftops, and some were sitting outside under the sun listening in through the windows. When Ps Matthew asked for testimonies, it was the Hindus who came up to testify of their healing.

God is indeed amazing to open doors for us in this manner. It does not matter what their religion is, or what they hang on their bodies. Jesus wanted to tell them that He loves them, and He did it through big displays of healing. I am sure that it pains the heart of God to see so many of them worshipping idols and living in poverty. Many souls have yet to know Jesus as their savior, and God is actively reaching out to them.

It is heartening to see the Church in India working hard to care for the people and reaching out to the lost. We pray for many more souls to be saved, and people to continue seeking God and His righteousness. May the land of India be blessed!

## A miniature Garden of Grace

Have you noticed that the one and only olive tree planted on the ground next to Eden Hall is no longer "lonely"? The place has been beautifully transformed to a miniature garden. Thanks to Bro Joseph, our volunteer "gardener" who has done such a great job to beautify this "Garden of Grace". He will also help us to maintain this garden. Do take a look when you are on level 2.

### “谁比大哥大”布道会

2016年的圣诞节，在12月22日至24日这几天里，我们与Helping Hand、突破机构联合举办一个不同的布道会。我们邀请了一位过去在香港很有名的黑帮老大，他的名字叫洪汉义。在这三天的布道会里，有2366位听到他的生命见证，神如何把他从这个黑暗的生命，走到神的光明国度里。透过他的分享，一共有34位的生命被神触摸到，愿意接受耶稣成为他们生命的主。

我们把荣耀归于主耶稣！

Jenny Mui 姐妹的见证

我是Jenny Mui。莫晓晓是我的好朋友。每一次她都邀请我去她教会主办的歌唱班和烹饪班。一开始我一直推迟，后来经不住她不断的邀请，终于去参加了这些活动。

参加了他们的教会主办的活动之后，我感觉到他们真的很热情友善，尤其是老师和义工们让我感到很温暖喜乐，我也不间断的参加了他们社区活动。

有一次晓晓还邀请我参加歌唱班尤莉老师带领的三天两夜邮轮游，在邮轮上看到了其他唱歌班会友分享了他们信主的经历，个个都非常喜乐，我感受到他们的快乐。突然间我也感觉全身不一样，好像有很多快乐的鸽子飞进了我的心里，心里有一些颤抖，感觉领受到耶稣的圣灵已进入了我的心，我不自觉的举起手说我愿意接受主耶稣做我个人的救主，尤莉老师和姐妹们也帮我做决志的祷告。

信靠主耶稣以后，我心里真的很扎实安稳，家庭也增加了许多喜乐平安！我也在唱歌班 烹饪班当义工。感谢主的恩典！阿们！
