BULLETIN

ENTHRONING THE KING!

As one of our five main key thrusts, it is a fitting reminder that we worship an Extraordinary God. This is important because the call of the Missional Family Church does not begin with the task at hand but with the centrality of God.

The distinguishing mark of the Church is not in the things we do (the *what*) nor in their motivation (the *why*) but in the object (the *Who*) of our worship. Our acts of love must flow from our obedience of God. Otherwise we will be no different from the many social enterprises that are doing good work with noble intentions.

As Grace moves into becoming the Missional Family Church we have to be defined in our most fundamental role, that is, as worshippers, and rediscover what our God requires of us in worship. In centring our worship we recover our identity and calling as His church.

To ensure that this does happen, we have to deliberately:-

- Make Worship, not the Worship Service, the goal of church life. Worship needs to move from 1.5 hours a week (or the 30 minutes of congregational singing in a service) to a daily time in worship and communing with the Lord's presence;
- Make Worship, an activity not external to but inherent in our renewed nature. Worship needs to be a habit that is personally cultivated not depending on or relegating to a worship leader and team;
- Move Worship from a tired rut to meaningful ritual. Worship needs to be in the Spirit and in Truth;
- Move Worship from a standpoint of consumers to operationally ready disciples. Worshippers need to realize that they are not on a cruise-ship (*placing orders*) but on a battleship (*taking orders*).

Worship must move from the mindset of *what* we do (our **expression**) to *why* we live (our **motivation**) the way we live (our DNA) because of *who*(se) we are (our **identity**).

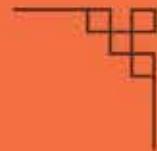

As we consciously and conscientiously enthrone our extraordinary King in worship, we become more like Him in His concern and care for the world; and hence, are compelled by His love to extend the grace and glory of His Kingdom to see lives touched, healed and reconciled to the Father.

ENGLISH & HOKKIEN ALPHA STARTS ON 9 MARCH 2018 @ GRACE I

Alpha is a 15 sessions introduction course to the Christian faith. It is designed primarily for non church-goers and new Christians who want to understand Christianity better. Participants are free to speak their mind and hear faith stories from others. Everyone gets to enjoy food, games, lots of laughter and learning together in a non-threatening and light-hearted atmosphere.

Over the years, we had seen many coming to Christ and how they encounter God and were filled with the Holy Spirit, and today they are serving God actively.

This year we will be conducting our first Hokkien Alpha. Over the years, many Gracians have expressed concern over their unsaved parents, relatives or friends who could only converse in Chinese. Take the opportunity during Chinese New Year to invite them to attend the Hokkien Alpha!

You only need to be obedient to who God is leading you to invite and that could make a world of a difference for that person. Both the English and Hokkien Alpha begin on 9 March 2018 (Friday evening) at Grace I. Registration begins in February, to find out more, please visit our website at alpha.graceao.org or come to our booths on 25th Feb and 4th March.

IS THERE MORE TO LIFE THAN THIS? Over 10 million people have searched and found the answer at the Alpha course. Come explore the basics of the Christian faith! No pressure. No follow up. No charge.

The course will be starting on **9 MARCH 2018 FRIDAY / 7PM - 10PM**

A FATHER - Do they need one? Or Google can do it?

Dysfunctional — not behaving or working normally. A family with both parents can be dysfunctional. Association with dysfunctional families are usually with single-parents, children with abusive caregivers or missing father. Core issue according to a research done over the last five years with a missing father model includes uninvolved and emotionally detached figures that sets off a suppressed and hidden wound that would later manifest itself in adolescent and young adult years.

We may run a corporation, head a team of high caliber individuals in our respective career's, but as individuals, we are constantly looking for an identity as to who we are and what we stand for.

What about these grown up adolescents packed with adrenalin, now ready to go out but struggle to identify themselves with the society because they were not ready nor equipped. If the father model is present but not providing guidance, where would they turn to for answers? The internet? Their peers? When these important life lessons are outsourced to society to define, we need to know the risk it entails.

Recall who is ruling the world now until He comes. If you do not take a stand he will gladly stand in your place and lead them away from God's intend and design.

This century is marked by remarkable technology feats and advancement. Most information of the world was brought about by newspaper and radio. Today, fingers are hardly stained from newspaper and who listens to radio, apart from driving?

The dangers of a missing father model takes its toll further on. How does a man know he is a man? What really is a real man when dad says "Be a man!" Does holding a cigarette make me a man?

For a girl, it may impact how they define love and consequentially marriage. For instance, in Meg Meer's book "Strong Fathers, Strong Daughter" it details accounts of teen pregnancy and why girls would willingly submit to their boyfriend's request.

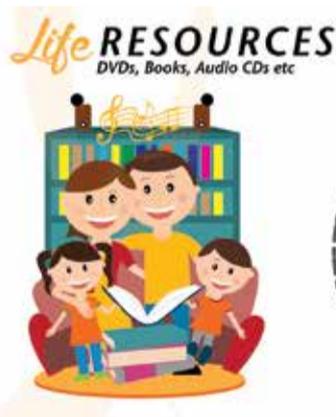

If a girl has never been treated attentively and lovingly by her father nor has she seen these affectionate acts from her father to her mother, while the only words

she did hear were disrespectful words, without proper guidance she would soon develop a frame of mind on how she ought to be treated and consider it normal since she grew up seeing and hearing these.

A day comes, when a man comes along and courts her with affection and constantly praises her. Would she perceive it as love she never felt before? And thinks that he is finally the one for her? What if his intentions are incorrect and she is unable to perceive it and he leaves her after his desires are fulfilled? Will she ever be hopeful of a man again? Or would she start thinking that she is not good enough?

In this session, we will discuss and explore the impact of a missing fatherhood in the household and its effect from children's lives (their identity, their values) to social issues.

SAMSON *Strong and Faithful*

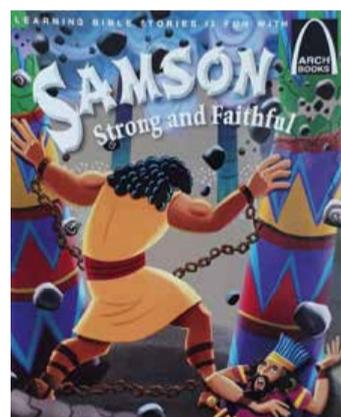

This story retells the story of Samson (Judges 15-16).

God had set Samson apart before he was born.

Throughout his life, Samson was well-known for his amazing physical strength. But Samson had weaknesses that lead to his downfall.

Children learn from this book that real strength cannot be measured by our physical abilities but by God's purpose for us.

Suitable for ages 5 to 9

TOUCHED BY GRACE (DVD)

One deed will change her world

An anti-bullying family drama about a group of popular high school students who wage a fake campaign to elect a girl with Down Syndrome as the school's Homecoming Queen. It's a senior prank that goes terribly wrong.

A great movie as most teens will be able to identify with the struggle that the character undergoes, wanting to fit in with the crowd, but also appreciating the joy of finding friendship in unexpected places.

A powerful story that features the theme of forgiveness.

FATHERS' WORKSHOP THE WORLD NEEDS A FATHER

Do you agree that it is much easier to become a father than to be one?

Boys need to be prepared for manhood. Young men will be fathers one day. And fathers need help to provide proper leadership to their families. Fathers must be restored to their God-given place as servant-leaders of their families and their communities.

The 'World Needs a Father' is a movement seeking to help men move from being generally passive as fathers to being the role models God intended them to be. It aims to equip fathers to be God's representatives in authority, identity, security and validation within the family structure.

The 'World Needs a Father' in Grace Assembly consists of 4 modules as follows:

1. A Father's role in his Family
2. A Father confers Identity
3. A Father establishes Moral Authority
4. A Father provides Security and affirms Potential

Each module has three sessions teaching sessions and follow up sessions on the practicum. All modules are held quarterly throughout the year.

You may participate in any of the 4 modules so that if you miss one module, you can move to the next one. In other words, own time own target! While you don't have to finish all the modules in the first cycle, you are encouraged to complete all 4 modules eventually.

The first module starts 3 Mar from 10:00 am to 3:00 pm, and 17 and 24 Mar from 10:00 am to 12:00 pm. Lunch is only provided on the first session on 3rd march, light refreshment for the second & third sessions.

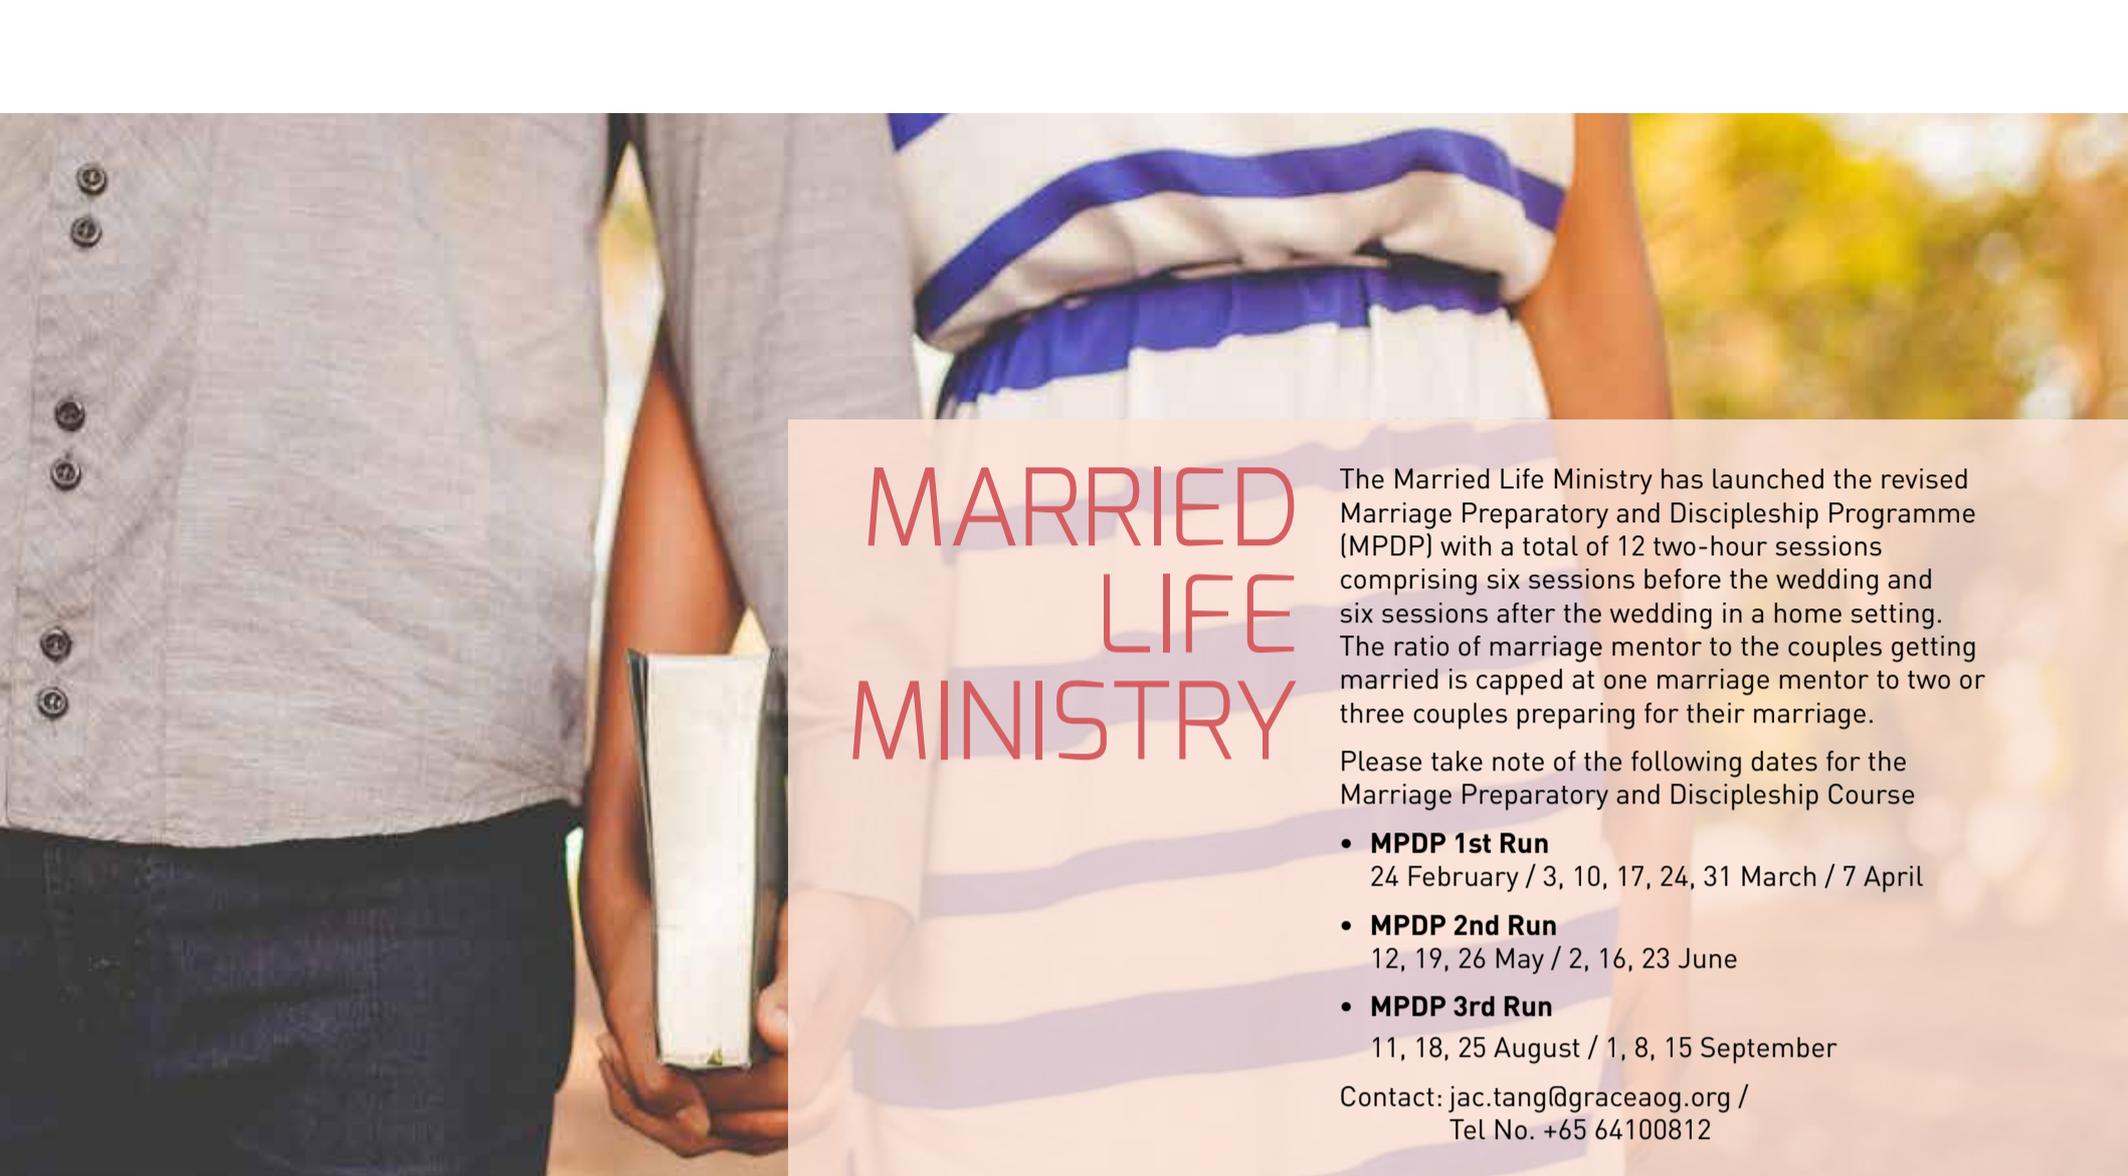

Registration Fee: \$10.

Registration starts on 27/01/2018 and ends on 25/02/2018.

For enquires, please email Jacqueline Tang at FamilyLife@graceaog.org or call us at 64100812.

To be held at G2, L2, Love Room.

A Café, but not just a Café.

By the grace of God, the REACH Community Café @ Blk 417 Bt Batok West Ave 4 is running beautifully, and receiving very good media reviews, and drawing in many to REACH Youth Powerhouse every Friday morning when the Café operates. The favour of God is on us.

The Lord is providing yet another opportunity for Community Outreach, this time a Café that is much bigger, and can possibly operate everyday in the work week.

A key program element in our new Senior Activity Centre at Blk 377 Bt Batok Street

31 (otherwise known as Bt Gombak Vista), will feature a Café which will blend in with and complement programs and activities we run at the Centre. Relationships are often built over food and beverage. Lives are touched often through quiet conversations over a cuppa. The new Café can facilitate all that happening. But we are not running a café just for the sake of running a café for cash, we are running it to touch lives.

We are looking for Church members who are keen to come on as staff at REACH, and are passionate about reaching out to Seniors as a ministry, and who are skilled in operating a café.... A good western styled café.

Whereas the smooth operations of the Café will be a key expectation, the role of the incumbent will also include other involvements in the other operations and programs of the Senior Centre.

If you feel the Lord leading you that way, call us for a chat now. (Siew Cheong : 96341923 / siewcheong.ho@reach.org.sg or Ivan : 96892482 / ivan.ho@reach.org.sg.)

GII Young Adults ALIVE! Gathering

“And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another — and all the more as you see the Day approaching.” – Hebrews 10:24-25

Starting this year, we will have a GII young adults gathering every first Sunday of the month. Join us this month as we continue to build up a community of young adults at GII by first building our own mini-world filled with lush and green plants. That's right, we're going to make terrariums! Have a good time of fellowship with one another, putting soil, rocks and various ferns, succulents and cacti together.

Come and be part of our ALIVE! young adults community. Sign up at <https://events.graceaog.org> before 30 January 2018. Free feel to contact Sheryl @ 9727 0124 if you have any enquiries.

SERVING THE ROHINGYA REFUGEES IN BANGLADESH

BY CELINE TAY

In December 2017, our team from Grace Missions had the opportunity to serve the Rohingya refugees in Bangladesh. We visited the Kutupalong refugee camp site in Cox Bazar during the second part of our journey.

Since August 2017, over 900,000 Rohingyas, an ethnic minority group in Myanmar, have fled from the violence in the Rahkine state to the border of Bangladesh where they are currently camping as refugees. Although there has been an influx of international aid, the need for aid is still overwhelming as the camp is the largely overpopulated.

Despite the tight control by the Bangladeshi military, we thank God that we managed to gain approval for entry. We partnered with a few local ministers who acted as our guides and translators during our interactions with the refugees. Some of the refugees also welcomed us into their make-shift homes where they shared about their problems and allowed us to pray for them.

In one particular household, an elderly woman was sharing with us that she has been paralysed for years and could not walk. The team took the chance to pray for her legs. After praying, we helped her to stand and she was able to take a few steps! It was a faith-growing moment for the team and a moment of opportunity for the household to encounter Jesus.

Apart from praying for some of the refugees, we also provided basic first-aid by dressing open wounds and helping to trim the nails of the locals. Some of the youths on our team also connected with the local children through song and dance, bringing smiles to the children's faces. As the weather was getting colder, we prepared warm clothing that went into the relief aid bags for distribution to the refugees.

Although the time spent with the refugees was short, we were thankful that we got to listen to their concerns and needs. We thought of future arrangements such as building more toilets and improving the ongoing lack of sanitation. Through our small acts of service, we pray that the Lord will use us to bless the refugees. It is our prayer that our trip there would raise awareness about this on-going crisis.

BRINGING THE MESSAGE OF JESUS TO MYANMAR

BY CELIN TAN

Jesus says in Matthew 9:37 that “the harvest is plentiful, but the workers are few.”

Taking that to heart, my Koinonia Grace Missional Group took courage, armed ourselves with love and went forth as a team to Myanmar sharing the gospel and our testimonies in churches, gospel rallies and in the homes we visited in the outskirts of Yangon. We also shared at bible schools. Our team sensed the presence of God with us in everything we did in the trip. The cohesiveness, unity and team work we experienced... wow, it got to be divine! We were amazed by how God worked in the midst of us!

We gave out gifts, prayed for healing, financial need and blessings among many other things. During one of the home visits, an elderly lady claimed to be always sick in body given her high blood pressure. We shared our testimonies on God’s healing and without us asking, she told us that she wanted to accept Jesus and be led in the sinner’s prayer. We

were amazed.

During two other gatherings in villages, after we shared our testimonies and the gospel, all villagers stood up wanting to receive Jesus into their lives. By the end of our trip, the salvation count was at 160. All glory to God!

By the grace of God, one of the sisters in our team experienced healing in her knees. She is now totally healed and does not need to go for knee cap replacement. This is a real icing on the cake. We went with the intention to bless the people and now the blessing of the Lord flowed on to us as well.

We are dumbfounded by the grace of our Lord. Indeed as the Psalmist says in Psalm 28:7 — “The LORD is my strength and my shield; my heart trusts in him, and he helps me. My heart leaps for joy, and with my song I praise him.”

GRACE MISSIONS INTERNSHIP 2018

Have you been going for missions trips and wanting to explore if you have a calling into full time missions?

If you do, the Grace Missions Internship Program is for you. We aim to equip and spur on Gracians who have a possible full-time missions calling through a practical and robust training program with opportunities to apply skills learnt in our many church planting works throughout Asia. In the course of our 6-month internship (July to December 2018), there will be intensive training to equip you to thrive in a cross-cultural setting. What you’ve learnt will be put into practice in a field internship where you will have the privilege of serving many. This internship allows you to tag along Missions Pastors for their work and then be sent off to overseas to serve with a missionary.

走出阴霾

当我参与“走出阴霾”服事的时候，是带著个人祷告会的心态去的。但是，随著多次神迹奇事大能的彰显，心也随著更新。赞美神医治与释放的作为，让自己不知不觉期待神更多更大能力的降临。神所成就的事，是眼睛未曾看见，耳朵未曾听到，心未曾想到，超乎我们所求所想。正因为如此，所以更想在神的话语与关系上，希望自己能更深入与明白祂的心意，让我更有效的事奉祂。种什么得什么，是一个自然的原则。若想在事奉上有长进，当然我要有所付出。时间是第一个考量的因素，求神帮助我在时间的付出和安排方面能够使我更好的摆上。“走出阴霾”是神对人爱的出口，也是神主权的宣告。祂是唯一的神，所以我深信每一场“走出阴霾”，都是独一无二，荣耀神的布道会。

当我开始在“走出阴霾”做扶助员时，很自然把它当成是一个简单的事奉。后来参加多次的祷告会后，渐渐发现扶助员是很重要的。扶助员可以让被祷告的弟兄姐妹，在圣灵的工作下，能够安心的领受。扶助员也必需和代祷者同心合一的为祷告者祈求，使神的作为更多的彰显。最后，让我以期待的心，来迎接每一场“走出阴霾”，与神同工同行。

感谢主，很蒙福能在“走出阴霾”医治释放团队服侍。在这个服侍里，我学习与不同堂会的弟兄姐妹配搭和沟通，一起祷告服侍有需要的肢体，也加强了我的心和胆量，我的祷告也进步了。

在服侍为人祷告时，看到他们得著释放或得著神的医治，我也得到鼓励，很有满足感。

感恩，求主不断督导我，使我能够继续被主使用，成为主的器皿。荣耀归给神，阿们！

各位主内平安，我是蔡美香姊妹(阿May)。

感谢主的恩典，让我能够在“走出阴霾”的代祷服事上有份。当我数算过去日子，不知不觉，已经过了5年。由于我对代祷有著感动和负担，并且相信，如果我只是停留在家中作代祷服事，就很难会有突破。因此，我下定决心，踏出勇敢的第一步，参与教会的台前代祷事奉。

在这么多年的代祷服事过程中，其实我有很多内心的挣扎。特别是当牧者鼓励我们大家操练“知识言语”恩赐的时候，虽然我自己也曾经历过圣灵启示；但恶者也会欺骗我们。更何况我们还有个人的心思意念。因此，假如有人向我发了知识的言语，却不是我所处的景况，长期如此，将会令我大失所望，甚至也会影响到我的信心。为了这个缘故，我曾经考虑过，要放弃台前的代祷服事…

当时内心常有挣扎。但很感恩，教会举办了一系列的课程，来训练我们。我记得很清楚，在某一次的课程实践操练中，陈鸾卿牧师鼓励我们，在为人代祷之前，可以先询问对方的需要，然后才开始祷告。从那一天起，当我在祷告时，把一切都交托给圣灵，如果领受不到很明确的启示，我就直接问对方的需要，然后为他祷告。因此我知道，在给人“知识的言语”这个服事，我已经得释放，不再有挣扎了。在这么多年的服事中，除了挣扎，当然也有满足感。每当我看见那些人，经过代祷，在忧伤中得释放，在流泪中得安慰时，我的心也一同得了安慰。

回顾“走出阴霾”在开始的那几年间，最明显的果效，是有许多人被释放，得医治。而最近两年，特别是去年，真的令我感觉很兴奋。因为看见连续多场的特会，都有很多人愿意接受耶稣基督的救恩，这的确是一个使人鼓舞的现象！也使我更相信，神要使用这个特会，拯救更多的人走出“阴霾”。

最后，我借用保罗的祷告，弗3:16：“求他按著他丰盛的荣耀，藉著他的灵，叫你们心里的力量刚强起来。”是的，若无祂所赐的力量，没有一个人能在属灵的事上得胜。

求主的灵，赐我心里有力量，叫我刚强起来，继续前进不后退！阿门！
