EXTRAordinary!

That's the theme for 2018 and 2019.

What comes to your mind when you think of the word Extraordinary? The word is defined as unusual or remarkable. It's synonymous with words like amazing, astonishing, astounding, incredible, unbelievable and more. Indeed it is a very powerful word.

When I think of this word, my mind immediately races to the thought of our God being extraordinary. Indeed He is. For example:

He is immutable - He never changes.

He is infinite - He has no limits.

He is incredible - He can do all things.

Let us be reminded that we worship an Extraordinary God who performs Extraordinary things and guides His people in Extraordinary ways. From time to time, God works in amazing ways that is beyond the ordinary. The missional lifestyle is rooted in the knowledge that the Extraordinary God is at work and He has invited us to participate in His extraordinary plan to bring redemption to mankind.

So, this year as a church, we want to know more about this extraordinary God. The key verse is Ephesians 3:20.

"Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us,"

There are three key objectives:

1. To educate Gracians about this **Extraordinary God** who is at work in our lives.
2. To equip Gracians to know what it means to live an **Extra-ordinary life**.
 - A fresh dependence on God.
 - A new expectation of the move of the Holy Spirit
 - A steadfast faith in what God can do.
3. To empower Gracians how to live out the **Extra-ordinary missional life**.

In relation to the 5 Key Thrusts:

1. **Enthroning the King** - We worship an Extraordinary God.
2. **Equipping the Gracians** - We grow in Extraordinary faith
3. **Empowering the Families** - We relate with Extraordinary love
4. **Engaging the Community** - We witness with Extraordinary power
5. **Expanding into the World** - We step out with Extraordinary hope.

I'm excited about 2018 as I sense in my spirit that this will be an extraordinary year for Grace Assembly.

May we experience and encounter our extraordinary God in 2018 in a personal and powerful way.

Senior Pastor

2018 1T SERMON SERIES

EXTRAordinary
平凡中的非凡

How often do we go through each day thinking, How mundane is today? How routine are my activities? Day in, day out... year after year. Often we just flow through the ordinary events of our life, unaware of the possibility of the extraordinary work of God in us, in our activities and in our moments. The Bible reveals how an seemingly ordinary event with ordinary people in an ordinary situation often hides the sovereign, miraculous and surprising ways and works of our Extraordinary God. In this trimester, we will discern His hand in each story when God intervenes and see its amazing results. Then perhaps we will also come to realise that He desires to come into our lives to transform the ordinary to become EXTRAordinary for His glory and see the key verse of the year fulfilled in us. *"Now all glory to God, who is able, through his mighty power at work within us, to accomplish infinitely more than we might ask or think."* Ephesians 3:20 New Living Translation (NLT)

For a fresh new start in 2018, join us to read through the Bible and build ourselves in His Word and in our devotional lives.

We would like to encourage Gracians to adopt a two-year Bible reading plan together as a church.

This plan is adapted from <https://timchester.wordpress.com/2016/12/11/bible-reading-plan-2017/> and has a number of differences from other plans.

BIBLE READING FOR 2018

- FLEXIBILITY** — We can read a number of chapters for each week rather than for each day. We can read a chapter or two each day or in two or three sittings. Or we can read a chapter a day and then catch up at the weekend. It means it fits more readily around our lifestyle.
- COMMUNAL** — Find a buddy or your family or your Grace Missional Family Group to journey through the Bible with. The plan makes it easy to discuss what we have been reading when we meet up with others. It's easy for us to discuss what we've been reading because there is only one Bible book to focus on each time. We only need look at the Bible plan once a week and need not to refer to it each day.
- REALISTIC** — Following this plan, we read the OT once and the NT twice in two years. This works out at about 12-15 chapters a week. It means we are not rushing through what we are reading to 'get it done'. This plan gives us time to meditate and reflect on the passage.
- BALANCED** — The plan balances the various styles of OT history, prophecy, wisdom, Gospel and Epistles throughout the year. We move between genres so we're never faced with reading one type of writing like OT prophecy continuously for six months.

We recommend using the **New Living Translation**. If you don't have this, you may want to read the New International Version. If you're doing family devotions with your children (aged 12 and below), a suitable one to read together with the family is the New International Readers' Version. For youths, the New Living Translation is excellent.

For those who prefer using your tablets and smartphones, do download the Reading Plan app. Select the plan **Edge 2 Year** and let the app help you keep track of your Bible reading.

Each week, there will also be a devotional entry put up in our Grace app and Grace website. These Scriptural reflections may also come from the Bible portions of our reading plan.

Blessed Bible Reading! May we grow deeper in His Word!

JANUARY PRAYER POINTERS

As we enter into a new year, let us confess of our need of God's presence and His guidance as we face the future.

As we look back over this past year let us thank God for His goodness to us—far beyond what we have deserved. May we never presume on His past goodness or forget all His mercies to us, but may they instead lead us to repentance, and to a new commitment to make Him the foundation and center of our lives this year.

Let us ask God for His strength and wisdom to meet the challenges ahead and humbly put our hands into His to trust Him and seek His will for our lives in 2018.

Let us commit our families, our church and our nation to God and ask for His mercy and goodness upon us all for yet another good year in the Lord!

Let us thank God for the promise and hope of this new year as we look forward to it with expectancy and faith!

Amen

Gracians.

MARRIAGE MENTORING

My wife, Celine and I, greatly benefited from the Marriage Preparation and Discipleship Programme at Grace Assembly of God during our engagement period. We fondly remember the cozy mentoring sessions over coffee and the exchange of experiences and prayers among the group. Not only did we learn more about God's design for marriage, we also learnt practical tips to prepare ourselves better for future challenges. We were also very encouraged and inspired by the testimonies and honest sharing by our mentors. Their authenticity and warmth enabled us to be open in sharing our doubts, concerns and also challenges with them. They provided us with wise godly counsel and also supported us with their friendship and prayers. The marriage-mentoring program became something that my then-fiancée and I would look forward to. It encouraged us to become more intentional in seeking God during our engagement and reminded us that we need more of Him even in the midst of our busy preparations and plans. We felt very blessed to have so many wonderful mentors invest their time into our relationship as we transition from engagement to marriage.

The programme does not end after the wedding, but continues as we start our new season as a married couple. Even to this day, our mentors would still

intentionally set time aside to meet up with us regularly to find out how we are doing as a married couple. They would celebrate with us whenever we crossed key milestones in our marriage, and they continued to pray alongside us whenever we faced any challenges in our marriage or personal lives. In this day and age where we are witnessing more

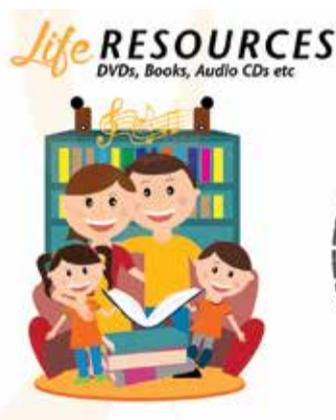

marriages breaking down than ever before, our prayer is that this programme will continue to bless and impact the lives of many other couples as they prepare for their upcoming marriage, just as it has greatly blessed ours.

We are truly inspired by the way our mentors live out their married lives and we have been

truly blessed by their love and friendship. By God's grace, we hope that one day, we would be such a blessing to other couples, just like they have been to us.

Joshua and Celine

Brother Tan Kok Lin and Sister Rina Tan journeyed with Joshua and Celine Tan after their wedding in February 2017

WHOLENESS SEMINAR

We all struggle with issues in life. Some of these issues could be childhood memories, hurts and pains that have affected our lives, unexplained outbursts of anger or constant nightmares and fears. We might have tried various means to deal with these issues but are still faced with the same struggles, and might feel a sense of hopelessness and helplessness.

God desires for us to attain complete and lasting healing in our journey with Him. The first step to freedom in Christ is to recognise our need for healing. Our hurts and pain do not go away just because we have come to know Christ. Many of us do not know how to walk in freedom the way God desires us to.

In the Wholeness Seminar, we will address the four-main area using the **Restoring the Foundations (RTF) approach**:

- Negative generational patterns
- Ungodly beliefs
- Soul/Spirit hurts
- Demonic oppression

We are pleased to announce our next seminar.

DATE: 16 March 2018, Friday /
7pm to 10 pm
@ Emmaus Hall, G1

17 March 2018, Saturday /
9am – 5pm
@ Eden Hall, G1

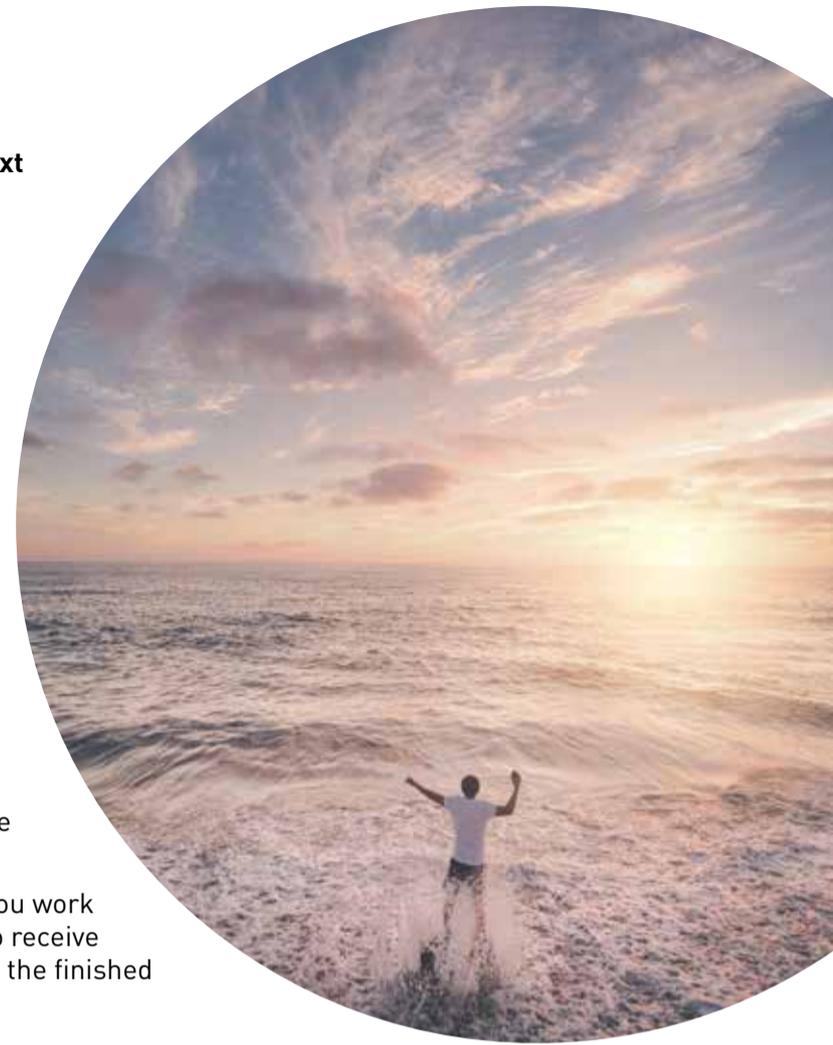

COST: \$35 (Meals and refreshments included)

Registration is compulsory. Last day to register is on the 2nd of March 2018.

Maximum participants for the seminar = 40.

Depending on individual issues, 1-3 ministry sessions would be set aside per person scheduled after the seminar.

You will be taught the keys to help you work out your healing and freedom and to receive God's promises for your life through the finished work of Christ on the cross.

Grace Family Life Ministry Library is proud to present the following books and DVD collections:

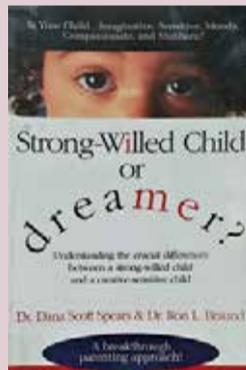

STRONG-WILLED CHILD OR DREAMER?

Your child may be a sensitive dreamer if: he forgets to follow instructions, no matter how clear and simple, she craves praise and positive attention, yet refuses to conform to what's expected, he tells more than his share of fibs and tall tales.

If you recognize these actions in your child, you know the frustration of turning to parenting experts for advice only to find the systems don't work, the rules don't stick, and strong boundary setting makes the situation worse.

Learn how to parent your special needs child who is principle-oriented rather than rule-oriented, highly creative, overly sensitive and frustrated at a world that fails to live up to the ideal.

The creative-sensitive dreamer is not the strong-willed child

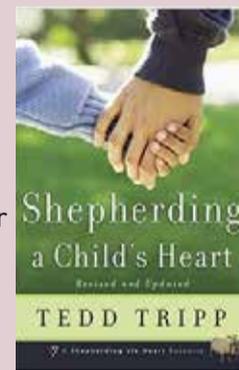

SHEPHERDING A CHILD'S HEART

Parents exercise their authority as God's agents to direct their child on God's behalf for their good, being true servants/authorities that lay down our lives – to empower our children to be self-controlled people living freely under the authority of God.

The central focus of parenting is the gospel, and our children need to understand not only "what" they did wrong but also the internal "why" they did it.

We can help our children see that God works from the inside out, and help them understand why they sin and how to recognize internal change.

Above all else, guard your heart, for everything you do flows from it
Proverbs 4: 23

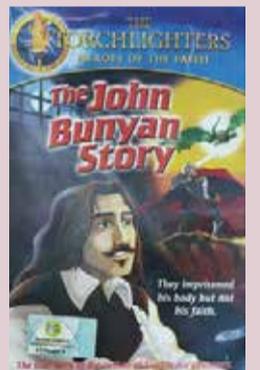

THE JOHN BUNYAN STORY (DVD)

John Bunyan is a hard-working family man. As a tinker, he goes from town to town, mending pots and pans for all who will pay. He's put aside the pranks of youth and his rough days as a soldier and is trying hard to live a good clean life. No cursing, no fighting and no stealing! But despite all his efforts, John can't free himself from a heavy burden of guilt.

Fear of eternal damnation haunts him day and night. Finally, a chance meeting helps John to understand that he must hand his sin over to the One who can carry the load.

Once he's free of the burden of guilt, John is like a new man. Before long, this uneducated tinker is preaching to crowds that are hungry for solid spiritual food.

Nothing can stop him from sharing the good news of salvation with others

WELCOME TO GRACE MISSIONAL FAMILY (GMF)

GMF REGION A

For those who are living in Singapore from Coney Island to Sentosa Island to Pulau Ubin & Pulau Tekong, a very warm welcome to GMF Region A! We are the largest region in terms of land area (as evident from the map :)

We want to thank our GMG Leaders who are faithfully serving the Lord in your time, energy & passion for your GMGs. May the Lord continue to bless, & protect you as He gives you grace, wisdom & guidance to expand your territory to do His will!

If you are not involved in a GMG in this region, we warmly invite you to join us – come grow together as a family of God in worship, fellowship, hardship, joy-ship :) We support one another in hardship & celebrate together with joy, as we faithfully persevere & overcome in victory!

Currently we have 23 cell groups, now called Grace Missional Groups (GMG). Please see Grace Missional Groups (GMG) Listing for Region A in this issue. Contact us & our Regional Leaders to find out more :)

GMF REGION B

GMF Region B is led by Ps Kenny and Bro Peter. Geographically, this region covers areas around Grace I and extends to Holland, Bukit Merah and Orchard. Currently, there are 26 Grace Missional Groups (GMG) in this region, and there are about 8 lay Regional Leaders who will be assisting the Regional Pastors to look after the members. We believe that GMGs must be missional, relational, and transformational. Each group is a missional community that cares for one another and welcomes others enthusiastically. Lighthill 4th Precious GMG has exemplified what this looks like:

At the start of 2017, a couple from US joined our cell. They have a baby who was diagnosed with three holes in his heart. Due to that, the child often faced difficult health issues. Burdened by what the family was going through, many in the cell reached out to the family proactively. Some visited the mother during weekday to encourage her, many prayed for the child for a miracle healing. The cell basically journeyed through this together with them.

It was therefore with great joy and gratitude that we received the news in Oct that the boy's latest health report showed that two of the heart has closed. Since then, we have seen how the boy had changed from a sickly baby to a healthy and active boy running around. In fact, there is now a glow of joy in the boy's face. The family was also so touched by the miraculous hand of God.

We were all touched by the love and miracle of God. The journey has also helped many of us in the cell to grow in our faith; to believe that God can do the miraculous. The journey has also drawn the cell closer to one and another. All glory belongs to Him.

GMF REGION C

Region C covers the Western part of Singapore. It is pastored by Ps Bee Ngor and assisted by Ps Wai Ching. The 2 pastors with the help of 5 Regional leaders take care of a total of 23 Grace Missional Groups in this region with 31 leaders.

On 18 November 2017, 31 GMG leaders and their spouse attended the Region C Leaders' Retreat at a condominium function room. We had a good time of fellowship and great fun playing bonding games to get to know one another better. The regional pastors shared the 2018 plan for the region and we had a time of prayer for the leaders to empower them to be missional.

As a missional family, we grow, serve and extend God's kingdom together!

GMF REGION D

Let me share a bit about Region D. If you will draw four quadrant on the Island of Singapore. Region D will be the North-West quadrant of Singapore that includes Bt. Batok, Bt. Gombak, Choa Chu Kang, Yew Tee, Bt. Panjang, Bt. Timah, Woodland, Sembawang and Yishun.

I will say we are in the part of Singapore that is with more "greenery" (depict "adventurers" always going out) and with tint of "kampong spirit". That reflect the characteristic of Region D, we like to be both "missional" and "family", so we are a Missional Family Region.

Region D is involved in reaching out to the community in GII area such as the Parenting Talk @ Bt. Batok Powerhouse, Community Outreach @ BLK 412 and involvement in Hong Kah North CC events etc. Also many of the GMG are involved in missions through trips to Indonesia, India and Bangladesh etc. Don't forget both pastors helming the region are involved heavily in missions- Ps Scott Tey & Ps Matthew Tan!

We are a region that love to meet together, pray together, study the Word together and like to "makan" together (both spiritual food and physical food). We went to JB together, flew kite together and played together!

Come join us if you are in Region D and yet to join any GMG!

We have a team of servant leaders that serve as Regional Leaders with us. We will introduce them together with the GMG Leader and their GMG in other issues of Grace Bulletin.

Region D is run by a team of capable men and women that love the Lord and the people of God!

You can REACH the Least, the Lost and the Lonely

REACH Flag Day 2017 – We would like to thank God for the fair weather and proactive volunteers advocated for our services users, encouraging members of the public to donate their spare change.

Volunteers, young and old from churches, schools, corporations and our very own service users, rallied together to raise funds for the least, the lost and the lonely. There were a total of 610 volunteers raising funds for our service users across the Family, Counselling, Youth and Senior Service.

We would also like to thank those who gave generously through our 'Adopt a Tin' initiative, they became a part of the Flag Day even though they could not be present on that day.

This year, we embraced new technology to help us explore more efficient ways to do Flag Day.

A selection of volunteers raised funds through the Donorbox Flag Day application, which allowed donors to use their EZ-link cards to make a donation through an application on the volunteer's mobile phone.

On top of that, we also used Project Tin Tin, an application to manage the issue and return of donation tins. Thank you, volunteers for your patience as we facilitated the issuing and returning of tins. There was definitely greater room for improvement, and we hope to do better next year.

The year's Flag Day fell within the December school holidays and we faced great challenges in gathering volunteers. Despite this, we were encouraged by the extra effort and support by Gracians such as New Life Grace Group, where 20-odd members signed up. One school principal rallied his teachers, students and parent support group to join in.

We raised a total of \$165,000 from all the donations collected that day! Praise the Lord!

Flag Day is a simple act of kindness that everyone, young and old, can do on a Saturday. We hope to see more Gracians in this year's REACH Flag Day on 14 July 2018.

You can REACH the Least, the Lost and the Lonely!

God's mission to reach all peoples of the earth starts in Genesis and is the common thread all the way to Revelation. Kairos will help you take a fresh look at scripture and understand it, and all of history, from God's perspective. It will call you to a truly biblical worldview, challenge you to embrace God's vision, and equip you to find your place in God's mission.

Kairos is for all Christians at any point in their journey with God. It is not a missions course for missions people, but an opportunity for all God's people to have their worldviews transformed and aligned with God's heart for the nations. He has called us all to play a part in His mission, and there are many different roles to fill. Kairos wants to help you catch that vision and find your place.

This course is suitable if you have been on a missions trip or are thinking of going for a missions trip. In the course, you will have a bigger picture of what God is doing in the world and what part you play in what He is doing in history.

Myung Duk, Riau Trip Team leader

2) Kairos has both widened and deepened my understanding on missions. It has taught me to understand missions through what God has said and what He has done!

Joselyn Lock, participant of Kairos

3) Through Kairos, I learnt that the church has been blessed with the knowledge of who God is and we are to bless the nations. God's desire is for us to reach the unreached people groups.

Cynthia Paulchamy, participant of Kairos

4) I get to understand that missions is God's main objective and direction to bless mankind since the Old Testament, and is consistent with the great commission in the New Testament.

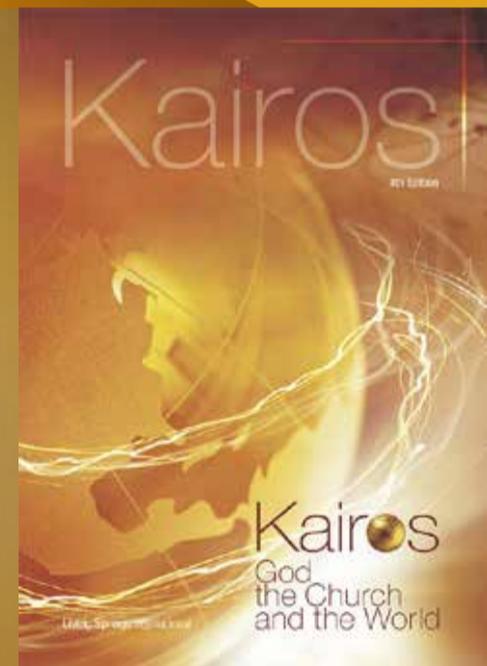

Teo Sir Kiang, participant of Kairos

GOD LOVES HIS PEOPLE BY CHIN SOO FUN

Women's Conference Myitkyina, Myanmar

When Myitkyina was first described to me, I imagined it to be a scenic, rustic and tranquil place. My heart longed to see its beauty and to serve God's people there, but the calling didn't come until three years later. Although it came most unexpectedly, God knew my heart was ready and willing despite my rational mind reminding me about my heavy work load and the urgent material preparation on the topic of emotionally healthy spirituality.

As there is no hotel in Waimaw where the three-day conference was held, our team of four needed to commute by car from Myitkyina for about 30 minutes each way every day. The daily commute took us through the quaint city centre of Myitkyina, across the placid Irrawady River and then over to the lush countryside of Waimaw. It was indeed a picture of charming rustic tranquility.

We were grateful to God for giving us the wisdom and knowledge to adjust our teaching to better cater to the needs of the women from the surrounding farming communities with a small number from the internally displaced refugee camps. The attendance averaged about 250 a day. Some traveled long distance to attend the conference, leaving behind children and pressing chores at home. A few even came with infants in tow. Some spoke only tribal languages and therefore did not understand the translation in Burmese. Nevertheless, they persevered and were

ministered by the small group leaders in the afternoon sessions. On the second day, some stayed back for the evening session on the topic of marriage and family. Such dedication and devotion to God definitely touched us who are accustomed to convenience and comfort. We experienced the powerful anointing of God as we shared his word using examples and testimonies that the women could relate to. Where our natural ability and knowledge fumbled, God's anointing took over and put in our mouths the words He wanted his beloved people to hear.

On the final day of the conference when three altar calls were made, I held my breath initially when I heard the sounds of only a few shuffling feet. Then the sounds became stronger and stronger and eventually the altar area was not big enough to accommodate everyone. The pews had to be moved backward not once but several times. I was overcome by God's great love for His people. God revealed to me his heart for the people and I counted myself privileged to be his instrument. We had prayed that the Holy Spirit would move mightily among his people and he was faithful to the end. The testimony time just before closing had more eager women who wanted to testify than there was time for everyone.

When God calls us to do his work, he will enable and empower us. We need only to obey and trust him. I was awed by his love for the people.

1. Women responded to one of the altar calls
2. Night session on the topic of marriage and family
3. Three women carrying their infants while participating in a small group discussion.
4. Mid-day break with lunch cooked on site by volunteers
5. Prayer for forgiveness and deliverance in a small group

YOU SHALL WEAR A GARMENT OF PRAISE

BY BELINDA

The Team after Sunday Service

From 04-06 November 2017, our team of 12 (same Grace group) went to Tanjung Pinang, Indonesia, for a weekend missions trip. This was a first for most of us. Our 'homework' of preparing our testimony before the trip caused us to reflect upon our lives and prepare our hearts.

The Tanjung Pinang church was small. The women's ministry meeting started with just 6 women yet all of them sang with such fervour their voices of praise filled the room as if it was a concert hall. We were greatly encouraged by their expression of worship.

We shared our testimonies in the women's, youth and adult ministries. For the first time, we opened ourselves and poured out our hearts to share our lives and inner struggles to complete strangers, giving glory to God for His grace and power in transforming our lives and encouraging others who were struggling with similar issues to draw close to God.

Half way through the Youth service, a girl came and sat at the back. At the closing prayer, we noticed the girl was yet to be prayed for. Even after prayer, she appeared very much burdened. After a private talk, she released her story of brokenness and fear. We cried, comforted, encouraged and prayed with her. On Sunday, God deposited His Word into her heart through our sharing and testimony. She responded to the altar call and came again for the family seminar. There we noticed brightness in her face. Oh how lovely was her countenance. It must be God who touched her by His Spirit of love.

Some went to her to give her Scripture verses and affirming words (Malachi 4:2, Psalm 139:3). We passed a purple shawl to her, claiming that

Praying for the Youth

she shall wear a garment of praise instead of a spirit of despair (Isaiah 61:3). God has started a healing work in her and in time to come she will bloom for His Glory.

Although everyone is unique with vastly different backgrounds, a common thread runs through us regardless of nationality, age, gender, circumstances and social status – we are empty and broken without God. Only God can fill this hole in our hearts, heal our broken spirit, transform our lives and give us a sense of identity. Indeed, we are fearfully and wonderfully made children in the image of God. Our stories and struggles caused us painful and ugly wounds but God can heal and use these to make something beautiful in His time – powerful testimonials to glorify God and encourage others.

I was excited when I was approached to organize a camp to reach out to community children. There is only one challenge ; I don't have a team to start with. So just like Captain America, I assembled my elite team to meet the challenges ahead. We decided to make it a two and a half Day camp, targeting to reach out to 120 children. It was a daunting figure but we believe our God Almighty is able to lead us through this seemingly impossible task.

We started with a team of 5 people and the team grew to the final team of 9.

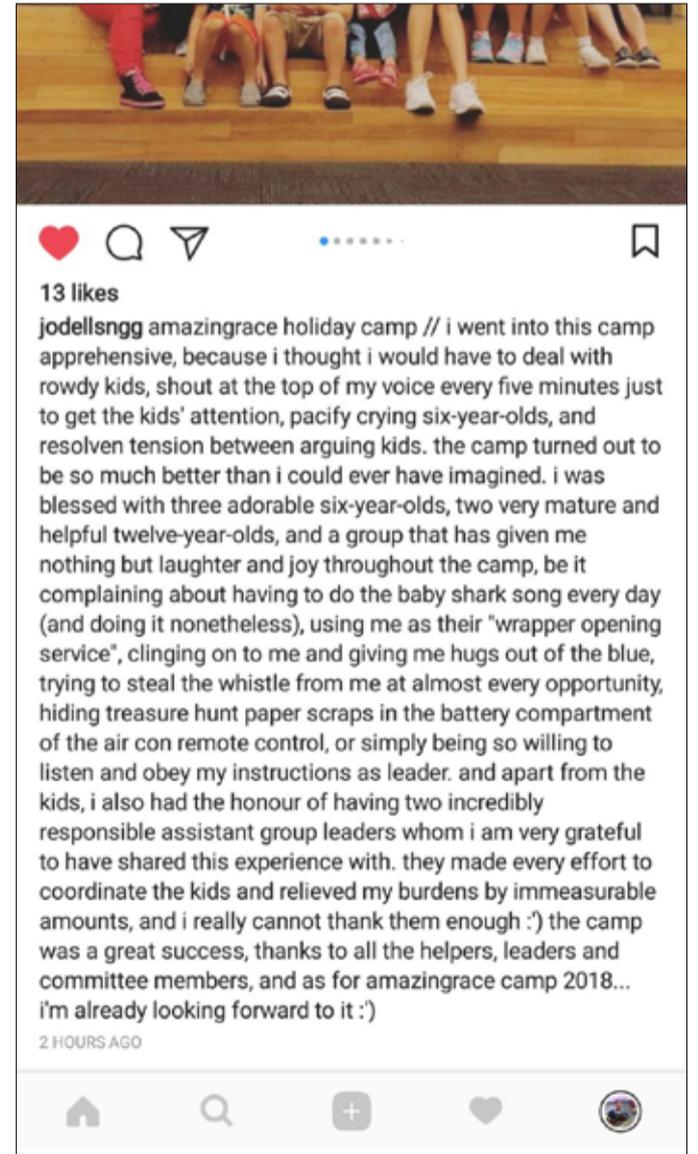

There were many challenges such as designing an attractive program that will be able to attract children, with enrichment elements.

When the camp publicity was launched, we were disheartened with the sign up rate for helpers. We have barely 30 people signed up as helpers; certainly not sufficient to meet the demands of caring for 120 children. As the date drew nearer to the camp, God provided 60+ volunteers! Praise the Lord!

When the registration closed, we were met with an incredible figure of 101 pre-believers and 57 Gracians sign up. We have to turn down a few due to insufficient helpers and limitation of facility.

On the first day of the camp, about 40 children indicated they wanted Jesus to be their personal Lord and Saviour. Praise God for His work!

In conclusion, I believe this camp is just the beginning of many outreach activities to the community children. I sincerely urge Gracians to stretch out your helping hands for future outreach activities.

社区服侍人员见证

我是周素玲，在服侍里，难免都会遇到人之常情的酸甜苦辣之事，可是这些每次都是有惊无险的经历。也因有如此的经历，无形当中与神的关系也促进了不少。只有在神里面，才有平静安稳。也只有神是我最大的帮助和倚靠！

服侍社区已经有三年了，它不单是面对与不同阶层人士建立人际关系，也要面对与“自家人”相处之道。毕竟，每个人都是神精心独特的杰作，因此，藉着神的教导来学习与人相处，这是神赐给我最好的秘笈。

我是一个平凡的人，感谢神拣选我跟随主耶稣基督的脚踪，也受委托要使万人做主的门徒，我就紧紧抓住神的应许。神的恩典够我用，祂的能力在我的软弱上显得完全，就凭着信心向前走。

求主坚固我的信心，时时与祂相连，单单注目耶稣，让我更有能力在社区的服侍。将一切荣耀颂赞归于主！

我是陈美玉，我在417服事已经大概有三年多了。在这服侍当中给了我很多的改变。从教会圈子到社区，从不太善于社交到自然的可以和居民沟通，从信心不足到信心满满，从不会到会。

在社区服事是需要很大的爱心和耐心，不是出于神很难做到。因为有神的爱，带领着我继续往前。

带领跳早操是我负责的部分，每星期四早上9点半到10点钟带着一班居民30多人跳恩典操，这些居民当中有的行动不方便，有的需要做轮椅的都很积极的参与。看到他们的喜乐，给我更大的信心。这几年来都会邀请居民一起参加一些表演。这些居民有的是第一次站在舞台上跳舞，他们的年龄介于50到70岁之间。记得有一位居民在表演之前很高兴的告诉我，她是第一次化妆，她觉得非常漂亮在台上跳舞。当我看到她们在台上表演的时候，她们都信心满满和面带笑容，真的很感谢神。

感谢神，我有一位好姐妹一起和我配搭来完成每一次的表演。我坚定服侍需要同伴，可以互相补足不足的地方，也可以彼此鼓励与祷告。借着表演的机会，我们可以把居民带到教会，无论是表演的或者是看表演的，他们都很踊跃参与。

我在这里继续求神开更大的路，让我知道怎么在这方面继续的服侍，更好的服侍。带领更多居民到教会认识和接受神。一切荣耀归于主耶稣基督。
