We will unlock the secrets of “odd” and difficult passages that talk about <i>the sons of God, elohim, watchers, angels, demons, the serpent, the satan</i> and many other less-expounded concepts. We will join the early believers who were aware of the very real spiritual conflict we are all in. It presents a fresh look on the biblical narrative with an enhanced understanding of the interplay of the divine and human realms and how all that affects our missional calling, discipleship, ministry and life as a whole.
