UPCOMING MODULES – 1ST TERM • 2017

BINT560 Life & Teachings of Paul

20-22 April

Professor: Dr Jerry Horner

This module studies the life, conversion, and travels of the Apostle Paul based on the biblical evidence from the Book of Acts and his Epistles with the understanding of his teachings to the early churches established during his missionary journeys that are applicable to us in the present day applications.

Dr Jerry Horner, received a Th. D degree from Southwestern Baptist Theological Seminary, and has served as dean of the School of Theology at Oral Roberts University, and as founding dean of the School of Divinity at Regent University, USA. He is the author of many books and articles in theological and educational journals, commentaries, biblical encyclopedias and dictionaries.

BIBT301 Evangelism & Discipleship

13-15 July

Professor: Dr Robert Coleman

This module gives insight into the Great Commission, traces the strategy of Jesus' personal ministry on evangelism and the practical examples of discipleship present in the Bible. An emphasis is placed on the basic New Testament principles of communicating Christ, and the engagement of the world with a coherent gospel through the power of the Holy Spirit. Individuals are challenged and guided to become effective missional witnesses and disciplers in the fulfillment of the mandate.

Dr Robert Coleman is the distinguished professor of Evangelism & Discipleship at Gordon-Conwell Theological Seminary. Prior to this, he was Director of the School of World Mission & Evangelism at Trinity Evangelical Divinity School while also serving as Ministry Associate of the Billy Graham Evangelistic Association. He is a founding member of the Lausanne Committee for World Evangelism. His best known work, The Master Plan of Evangelism, has sold multiple millions of copies and is being read in over 100 languages.

The above modules will be held at GRACE@Tanglin Road, on Thursday (7 p.m. to 10 p.m.), Friday (7 p.m. to 10 p.m.) and Saturday (9.30 a.m. to 3 p.m.).

Developing Missional Disciple-Discipler

FOREWORD

In the last few years, I have been pondering and praying for the Lord to lead us to start an equipping school for the church.

By the grace of God, a door is opened for us to start Grace Missional College (GMC). This is a very significant milestone for Grace Assembly of God as it flows with the missional journey that we are embarking on.

I want to see a greater transformation in the life of every Gracian to live out the gospel wherever we are. For this to take place, that's where we need to be equipped and have greater depth in the Word of God.

As I have said many times, I want to see the church not just full of people but people full of God. To be full of God is to know Him and His Word.

Therefore, GMC seeks to equip every Gracian to be a missional disciple. The great need of our day is not just to produce Christians but most of all, disciples for Jesus. It is about believers making a difference wherever they are, and intentionally fulfilling the mission of God.

Surely GMC will propel the church forward in her missional calling and direction! I am very thankful for the joint collaboration with Christian Life Educators Network and Oral Roberts University, and in partnership with ICM Plus Ltd (ICM+), that enable us to launch the GMC.

Together, let's raise up more disciples and disciplers for the Kingdom of God.

Rev Calvin Lee
Chancellor

OVERVIEW

GRACE Missional College, to be inaugurated in 2016, is a joint-collaboration with Christian Life Educators Network-Christian Life School of Theology Global (CLEN-GLST) and Oral Roberts University (ORU) in partnership with ICM Plus Ltd (ICM+).

CLEN-GLST is a membership network of independent schools, instructors and students providing standardized Bible-based education to equip and empower students around the world for Christian education and ministry training.

ORU establishes the accredited program to complement the educational ministries of the local church for the equipping of saints for ministry.

GRACE Missional College organized under the vision and direction of New GRACE, encapsulates core values of the Missional Family Church into the curriculum to realize its desired strategy and outcomes.

GMC, in short, aims to empower and equip leaders, lay ministers, interns, ministry staff, those with full-time calling, and Gracians who are keen, to be trained and developed with the Word and practical ministry skills to lead an intentional missional life.
